California Governor Is G.O.P. Vice President Candidate

State Delegation Could Have Named Dewey On 'Second'

By EART RICHARDS
(News Staff Correspondent)
PHILADELPHIA, Pa., June 25.—In the same auditorium and with much of the enthusiasm that marked the nomination of Wendell Willkie eight years ago, Thomas E. Dewey was nominated by the Republicans Thursday night for the presidency of the United States.

The nomination came on the third ballot, but it might have come on the second ballot if Governor James H. Duff had been willing to forget his animosity towards Dewey. At the end of the second ballot Dewey had 514 votes, 34 from nomination. California was ready to shift. And had Governor Duff been willing to release his group in Pennsylvania for Dewey, the nomination would have come on the second ballot.

Bricker Repeats
The honor of starting the parade for Dewey fell to Senator John Bricker of Ohio, who did the same thing in 1940 for Willkie. That distinction, this time, could have gone to Duff of Pennsylvania.

Unlike 1940 Pennsylvania did not "miss the boat" entirely. Forty of the Pennsylvania delegates were for Dewey from the start. And in this group were the two from the 25th district, Roger W. Rowland of New Castle and C. Everett "Pete" Spang of Butler. Captain Rowland said, "I was for Dewey from the start for two reasons. First, he

New Soft Coal Wage Contract Is Agreed Upon

INCREASE IN COAL PRICE INDICATED

By PHILLIPS J. PECK
(U. S. S. Staff Correspondent)
WASHINGTON, June 25.—An early increase in coal prices is anticipated today as a result of the new soft coal wage contract being completed by John L. Lewis and bituminous operators.

The 1948 agreement, to replace the pact expiring June 30, calls for a dollar-a-day wage increase for Lewis' 400,000 miners and a boost from 10 to 20 cents a ton in the royalty for the UMW welfare fund.

It is estimated that the new contract may cost the industry approximately 150 million dollars annually.

"Price Increase Inevitable"
Harry M. Moses, president of U. S. Steel's coal subsidiaries and representative of "captive" mines in the bargaining parity, predicted that a price increase is "inevitable."

The steel industry several months ago refused a wage boost for 1,000,000 steel workers, and Moses said that steel is equally opposed to the coal wage hike.

However, the U. S. Steel official

Aluminum paint is being used to brighten up the fences and metal on the Public Square.

Within the past two weeks, according to a report from a North Beaver township woman, a couple of white wall rams from auto wheels have landed on her lawn.

Workmen began the contract on Thursday afternoon of decorating downtown buildings in preparation for the sequi celebration. Streets are also to be decorated, Pa Newc is informed.

Numerous persons were noted this morning, "eying" the antics of a large squirrel that was working on the back porch of a downtown apartment building, tearing up a mat on the porch floor and carrying off the straw for building a nest nearby.

Saturday will be a day of weddings for Dr. D. L. Ferguson, pastor of the Highland U. P. church. He has four scheduled for the day, including his daughter, Julia's, in the afternoon at 3:30. Earlier he will officiate at the Allen-Thompson wedding at two o'clock and in the evening at the Montfort-Gia ceremony at 6:30, and at 7:30 the Norris-Colgate wedding in the First U. P. church.

Pa Newc learns that a new and speedy method of removing sod is being used at Targart Stadium the site of the Sequi-Centennial pageant. A machine towed by a tractor runs along neatly removing several feet of the sod rolls it up and lays it aside for replacing later on after the pageant. Workmen who are installing the new lighting system for the field predict that it will not be done in time to be used for the pageant and that the old system will have to be used.

Many streets about the city carried water from curb to curb during the height of the wind and rain storm on Thursday afternoon. Streets adjacent to unpaved thoroughfares received a good coating of dirt and gravel being washed down by the swift waters.

Pa Newc wonder if Uncle Sam couldn't pay a visit to the various residential districts and apply a coat of paint to the mail boxes which in many instances are fairly drab looking. Dispatch signs on the boxes could stand replacing too.

Soviet Cuts Off Food Supply In Part Of Berlin

Orders No Soviet Food To Be Shipped Into Western Powers Sectors

(BULLETIN)
BERLIN, June 25.—(INS)—Russia issued orders today that no Soviet zone food is to be shipped into sectors of Berlin occupied by the western powers.

The order, an apparent effort to "starve out" the west, was issued to the Berlin central food office situated in the Soviet sector. It decreed that no food contributed by the Soviet zone of eastern Germany is to be issued to the western sectors.

This development came while the United States and British military governors of Germany conferred in Berlin on counter-measures to be taken in the face of stiffening Soviet attitude.

The Russians, who yesterday declared that the Four-Power Berlin Control Council "to all intents and purposes" ceased to exist, failed to attend the only two committee meetings of the Kommandatura scheduled for today.

Assessment Increase To Raise Valuation

George Patterson, chief assessor for the city, today reported that the increase in assessment on property of 25 per cent will raise the property valuation in the city to about \$8,000,000.

Defeated Candidates Will Support Dewey

By FRANK B. ALLEN
(U. S. S. Staff Correspondent)

PHILADELPHIA, June 25.—Defeated candidates for the GOP presidential nomination consulted their saddened aides and adherents today and planned all out support for Thomas E. Dewey, the man from whom they tried unsuccessfully to snatch their party's standard.

Sen. Robert A. Taft, who witnessed his defeat over a television set in his Benjamin Franklin hotel suite, spent the evening trying to cheer up his staff—there was weeping among girl employees—greeting a sprinkling of visitors, and stopping in at an informal cocktail party of his staff members.

Harold E. Stassen, the only candidate to appear on the convention program in person—made an appearance after his defeat in Hotel

C.I.O. District Conference Will Meet Here August

Delegates To Arrive From Eight Counties For Two-Day Sessions, August 7-8

New Castle will be host city for the first time at the annual district conference of District 21, of United Steelworkers of America, C.I.O., during the two-day sessions, Saturday and Sunday, August 7-8.

Headquarters will be at The Castleton hotel.

John W. Grajciar, district director will be chairman of the conference.

Eight counties will send labor delegates and union representatives here, including: Lawrence, Mercer, Crawford, Venango, Warren, Forrest, McKean and Erie.

Approximately 250 to 270 delegates are expected and other representatives numbering 300 are to attend.

The conference is being held for the purpose of informing local unions in District 21, of the various activities that are going on in this district; to discuss ways and means of how to best implement the resolutions passed at the recent international convention held in Boston.

A wage policy committee will be elected. This committee will include two members of the five subdivisions, to meet with the committee and the International officers, who are the negotiating members of the United Steelworkers contract.

CHALKING CARS

City policemen, armed with a piece of chalk are patrolling East Street alongside the city building to tag cars which are parked there in excess of 15 minutes. The police chalk a mark on a tire and if it stays there longer than the 15 minutes, they receive a tag and are required to pay one dollar.

Shatters President
Now he shatters all Republican precedent by being renominated after losing a race for the presidency.

Dewey in accepting the nomination, made his first campaign pledge an hour after being nominated, on Thursday night. He promised to clean the Communists out of Washington. He said:

"We won't have to ask Congress for money to find the Communists in government. There will be no more appointments after January 20."

Dewey made his pledge in a dramatic appearance with his wife at Convention Hall a few minutes after he was nominated by acclamation. The governor, standing by downtown in calm expectation of his victory, was rushed to the steaming auditorium where he delivered a ten-minute "acceptance" speech.

Gov. Earl Warren of California, like Taft, witnessed the convention by television, and later received friends, including actor George Murphy, who led a convention floor demonstration for him, and Leonard Firestone, west coast head of the Firestone Tire & Rubber Co.

Taft took the blow of having his party's highest honor wrested away from him with smiling composure. The Ohio senator—once described by his wife, Martha, as being "departmentalized" in the fields of seriousness and humor—laughed and joined with his visitors in hotel corridors.

Soviet Demands Government For All Of Germany

(BULLETIN)
LONDON, June 23.—(INS)—Russia and her European satellites demanded today that the western allies join Moscow in a four-power agreement to establish a government for all of Germany.

The Soviet group carefully avoided mention of earlier efforts by the west to achieve such a settlement in conferences of the big four foreign ministers. The Soviets voiced a bitter attack against the six-power London agreement to set up a provisional regime for western Germany.

The joint recommendation of Russia and the seven satellites was contained in a communique issued at the conclusion of a specially summoned parley in Warsaw presided over by Soviet Foreign Minister V. M. Molotov.

INDIANAPOLIS.—(INS)—New Mexico has captured the coveted "pole position" in the grand parade of 1948 of The American Legion to be held in Miami, Fla., October 19. The lead position in the big procession went to New Mexico by virtue of its highest 1948 membership percentage as compared with its previous four-year average enrollment. Vermont won second place, South Dakota placed third, Montana was fourth, and North Dakota placed fifth.

The heaviest rainfall ever recorded in the United States flooded low portion of Lake Charles, La., June 19, 1947. The rainfall totaled 15 1/2 inches from 6:30 a. m. to 12:30 p. m.

NEW SOFT COAL WAGE CONTRACT IS AGREED UPON

(Continued from Page One)
said he is aware of the realities of this situation and will go along with the settlement negotiated by commercial coal interests in order to avoid a suspension of steel production.

Lewis and the operators are expected to complete and sign the new contract today.

Break Develops
The strike-averting agreement was reached 48 hours after both parties appeared before a presidential fact-finding board which was studying the advisability of another court injunction against the miners to prevent a summer mine shutdown.

The "break" in the long soft coal dispute stemmed, however, from a decision of Federal Judge T. Alan Goldsborough last Tuesday upholding Lewis in his fight with the operators to activate the miners' 1947 welfare fund.

The UMW president had refused to even discuss 1948 contract terms until the welfare fund issue was ironed out. The court dismissed a suit by the operators attacking the legality of \$100-a-month pension plan agreed to last April by Lewis and Sen. Bridges (R. N. H.), neutral trustee of the fund.

The mine owners had argued that Lewis's welfare and pension plans would bankrupt the fund which collected approximately fifty million dollars a year. Under the new 20-cent royalty, the welfare fund will net 100 million dollars a year, and presumably this will be sufficient to cover all benefit payments.

The \$1-a-day pay boost for the miners amounts to an increase of 12.5 cents an hour, and follows the pattern laid down in other major industries. The miners' current daily wage is \$13.05.

First rodeo was held at Pecos, Tex., on July 4, 1883.

Deaths Of The Day

Mrs. Edwin D. Moore
Mrs. Elizabeth Watters Moore, aged 86 years, died Thursday night at 216 North Jefferson street. She was the widow of Edwin D. Moore.

Born October 11, 1861, at Lewis-
town, Pa., she was a daughter of Captain and Anna Herman Watters. Her father was killed in 1862 during the Civil war. Mrs. Moore was a member of the First Presbyterian church.

She leaves one cousin, Edwin S. Herman, Harrisburg.

Two sisters, Mrs. Myrtle W. Hoyt and Mrs. James Ewyer, preceded her in death.

Funeral services will be conducted Saturday afternoon at 2 o'clock D. S. T. from the R. L. Boyd funeral home, North Jefferson street, with Dr. Robert F. Galbreath, pastor of First Presbyterian church, officiating. Interment will take place in Oak Park cemetery.

Friends will be received this evening from 7 to 9 o'clock at the funeral home.

William S. Blythe
William S. Blythe died from a heart attack Thursday at 11 p. m. at the home of his daughter, Mrs. Edith Burkett, Poland, O.

Mr. Blythe was the son of the late Archibald and Isabel Sharp Blythe. He lived in Beaver county practically all his life and was a member of the Clinton lodge, I. O. O. F., and the Koppel Methodist church.

His wife, Mrs. Elizabeth Blythe, survives, and children: Mrs. Gladys Hurd, Youngstown, O.; Lawrence, of East Liverpool, O.; Mrs. Gertrude Patterson, Griffith, Ind.; Mrs. Margaret Sturgeon, Palo Alto, Calif.; Mrs. Edith Burkett, Poland, O.; and Glenn of Koppel, Pa. He also leaves 16 grandchildren and four great-grandchildren.

The body is at the Marshall funeral home, Wampum, and funeral arrangements will be announced.

Mrs. McConnell Funeral
Funeral services for Mrs. Esther McConnell, 919 Lorain avenue, widow of William H. McConnell, were conducted Thursday afternoon at 2 o'clock from the Fred C. Wolford funeral home with Dr. J. Paul Graham officiating.

Gaylord Beesley, James Lawrence, Charles, Ernest, David and Thomas Mallinak served as pallbearers.

Interment took place in Greenwood cemetery.

Mrs. Coryea Funeral
Funeral services for Mrs. Laura J. Coryea were held Thursday at 2 p. m. in the Sharp Funeral Home. Rev. W. A. Lloyd, Dr. S. A. Kirkbride and Dr. R. F. Galbreath were in charge.

Pallbearers were: Joseph and Edison Coryea, Leonard Bartholomew, Albert Brennan, Kenneth Rudolph and Leonard Harrif.

Burial was in Fair Oaks cemetery.

NOMINATION OF WARREN IS MADE BY ACCLAMATION

(Continued from Page One)

right up to the minute Wilkinson of North Carolina, stopped speaking.

But apparently Stassen didn't desire the fight, after having lost the presidential nomination to Dewey. Only two minutes before Warren was nominated, Stassen's headquarters issued a statement saying the Minneman would "accept the nomination for vice-president if drafted by the convention."

But Dewey's headquarters had tipped off the result. It was that Dewey and Warren would pose for photographs in Dewey's headquarters a half hour after his nomination.

There may have been some doubt in the minds of Stassen's friends but there was no doubt in Dewey's mind.

GOVERNOR DEWEY IS NOMINATED ON THIRD BALLOT

(Continued from Page One)

nomination unanimous. All pledged their best efforts to elect him in November.

Dewey joins two great Americans—Charles Evans Hughes and Abraham Lincoln—in the history books as being the only Republicans nominated on a third ballot.

Dramatic Battle

Dewey won his nomination in a dramatic, exciting battle. On the first ballot, the governor got 434 votes. His "stop Dewey" rivals had failed to hold him below the 400 mark. Only one Republican candidate—former President Theodore Roosevelt in 1912—overpassed the 400 mark without winning the nomination.

There was a brief flurry when the "stop Dewey" coalition proposed a recess from 5 p. m. to 7:30 p. m. EDT. The uproar ended when William F. Bleakley, of New York, said his delegation had no objection to the recess.

Wins Unanimous

The recess benefitted Dewey. It won him an unanimous nomination. The Vandenberg forces capitulated and forced all the other "stop Dewey" coalitionists to throw in the sponge.

Sen. Raymond Baldwin, of Connecticut, led the break. He was having serious trouble holding his delegates in line for him as favorite son. Finally he agreed with Dewey's Connecticut leaders to release the delegation's 19 votes. That was enough. It started the bandwagon.

Gov. Kim Sigler, of Michigan, reporting trouble in his delegation, conferred with Vandenberg. The Senator agreed to release his home state delegation with its 41 votes. Dewey was a winner.

The whole "stop Dewey" movement collapsed.

By the time the convention reassembled, Sen. Taft, Gov. Warren and Gov. Dwight Green, of Illinois, agreed to support Dewey.

Dewey got all the votes for a unanimous ballot of 1,094 votes. He actually was nominated at 8:46 p. m. EDT, when New Hampshire gave him eight votes for a total of 554, where only 548 were needed. So, Dewey is the nominee in the year the Republicans believe they will win the White House.

EAST BROOK

The Mary Janes' Missionary Society will hold their regular monthly meeting at the home of Mrs. William Walton, Tuesday evening, June 29 at 7 o'clock, with Mrs. Walton as hostess. This will be the annual picnic supper and will be held rain or shine.

William Reher, of the Washington Township 4-H Club, attended the Herford cattle show at Chester, W. Va., Saturday, June 19, as one of the judging team. Lloyd Bradley also attended the same show.

The Vocational Bible School teachers, students, and helpers had a picnic at the close of their two weeks sessions, at the Methodist church, Friday noon, June 18. Certificates were presented to the boys and girls for their efforts. New testaments were given to the helpers as recognition of their help.

As their community project, the Washington Township 4-H girls met Friday afternoon from 2 to 4 at the home of Shirrell Powell, who is convalescing from an illness. Those present were: Helen and Florence Stevenson, Ruth Smith, Genevieve Galado, Delores McConnell, Carol Martin, Millicent McGary and Esther Reher.

Mr. and Mrs. Earl Hunt and son, Robert, are motoring to Iowa, to visit the former's brothers and sisters there.

Mrs. Wilbur Hayberger and daughter Kathy spent a few days visiting the former's parents, Mr. and Mrs. William Hookway.

DEFEATED OPPONENTS WILL SUPPORT DEWEY

(Continued from Page One)

less jolted by the "stop-Dewey" failure than his lieutenants and other supporters.

Sen. Arthur Vandenberg retired early. An aide declined to disclose his plans.

Taft expected to return to Washington by automobile late today. Stassen will stay in Philadelphia today, and then go to the Clarksboro, N. J., farm home of his eastern campaign manager, Amos J. Peeslee, before returning to Minnesota.

Warren will take his three daughters to New York tonight or tomorrow and spend a few days in Manhattan before returning to the Pacific coast.

MRS. J. PALNERICK DIES AT YOUNGSTOWN

Mrs. Catherine Palnerick, wife of John Palnerick, 916 Starr street, Youngstown, Ohio, died early this morning at her residence, according to a message received here by relatives. Death was the result of an extended illness. The deceased was a member of St. Joseph's church, Youngstown.

Survivors in addition to her husband include two daughters, Mrs. Julia Siegler, New Castle, R. D. 2, and Miss Mary Palnerick, at home, and six grandchildren.

Funeral services will be conducted Monday morning at 9:15 o'clock D. S. T. from the late residence, where friends are being received at any time.

Shoots Children; Ends Own Life

ALEXANDRIA, Va., June 23.—(INS)—Stark tragedy struck in a Virginia home early today when Capt. Charles G. Legett, of Kansas City, Kan., an officer in the air transport command, shot and killed his two small children and then took his own life.

Legett and his five-year-old daughter Charlene died instantly while his four-year-old son, Fred, died later at the Alexandria hospital.

Virginia police said Legett's wife told them that he had been drinking and argued with her about whether she had pressed his pants correctly.

STATE DELEGATION COULD HAVE NAMED DEWEY ON 'SECOND'

(Continued from Page One)

looked to be the logical candidate, and second, 85 per cent of the mail I got from voters favored Dewey."

Running Mate Uncertain

The choice for vice presidency has been shifting for two days. Two days ago, Governor Dwight Green of Illinois seemed to be the favorite. But Green was unable to shift his delegation from Taft to Dewey and the nod seemed to be in the direction of Charles Halleck of Indiana. Halleck still seems to be the favorite but a one o'clock Thursday morning Dewey was said to have expressed a preference for his running mate of 1944, John Bricker of Ohio. If he insists upon that choice, Bricker will be the candidate but as this was written there had been no decision made.

Sort Of Anti-Climax

The vice presidential nomination will be a sort of anti-climax to this quadrennial show. The outboard rush has started and seats in the convention hall today will be easy to get.

Dewey spoke to the convention after the nomination was made. In front of him were 15,000 people from all parts of the United States. He spoke briefly, concisely and with real feeling. Somehow you got the idea that here was the next president of the United States.

Except for the nomination of a vice president and the naming of a national chairman, this show is over. The banners are starting to come down, the visitors are starting to leave and Philadelphia is getting ready to receive the Democratic convention which starts on July 12 if the word of southern newspaper men covering this show can be taken at par, it promises a lot of fireworks.

TRUMAN SIGNS NEW DRAFT BILL

(Continued from Page One)

tive service boards and establishing an agency patterned after the wartime draft organization.

Meanwhile, military officials are uncertain whether those who signed up with the National Guard Thursday to "beat" the draft got under the wire in time to be exempt.

These officials likewise are unsure as to the actual time when inductions will start.

Under law, draftees start reporting for duty no earlier than 90 days after the president signs the bill. This should mean that inductions start on Sept. 22. But defense officials said they are not clear on the timing and will have to study the matter further. Signing of the bill halted the rush to the National Guard.

Additional details on interpretation of the bill will be made Monday when Rollalt, with left on a week-end trip to New Jersey, holds a news conference.

Interest Is High In Antique Museum

One of the features of the Sequi celebration which is drawing more and more interest is the antique museum which will be in the Castle-Buick Garage on South Mercer street.

Chairman of this antique show is John Brinton, who reports that more and more old and rare items are being offered for the Sequi week.

Cari Fullerton of Mt. Jackson, a widely known collector of antiques, is also an authority on antique articles, and is giving assistance to the committee. Mr. Fullerton, who has a collection of his own, is going to display that, along with antiques brought in by local residents.

These antiques, many of them very valuable, will all be covered by insurance, and a watchman will be on guard duty at all times, so that their safety is assured.

This phase of the celebration can easily be one of the most outstanding, depending upon the number of old and rare items brought in by local residents. The attics of Lawrence county holds innumerable items which would be of great interest to the visiting Sequi crowd, and all are needed to make the museum a success.

Golden Wedding Reception Planned For Mr. And Mrs. C. R. Thompson

Mr. and Mrs. Charles R. Thompson, 114 Euclid avenue, will observe their fiftieth wedding anniversary Tuesday, June 29, with a reception at the home of their daughter and son-in-law, Mr. and Mrs. Joseph E. Lockley, 313 Sumner avenue. Open house will be held there for neighbors, friends and relatives from 2 to 4 o'clock in the afternoon and from 7 to 9 o'clock in the evening.

Prior to her marriage, Mrs. Thompson was Laura M. Osterling, daughter of Pete and Catherine Shoop Osterling, and was born in Butler county.

Mr. Thompson was born in New Castle, son of John and Josephine Reynolds Thompson, descendants of a family that dates back to the early pioneer days of New Castle. The present Reynolds street ran through the home farm and bears the family name today.

Mr. Thompson is known to most business men in New Castle as the former owner of the New Castle Transfer Co. He started this business in 1905, with one team and one wagon. In the early twenties he changed from horse driven

equipment to motor trucks. In 1930 he entered the retail gasoline business. During the war he took a position with the Lockley Machine company and is still actively engaged there.

The couple were united in marriage by Dr. J. H. Miller, formerly of St. John's Lutheran church, Dr. Miller, now retired, lived in New Castle and plans to be among those who will join in the golden wedding celebration.

Mrs. Thompson is a charter member of St. John's Lutheran church, and Mr. Thompson served many years as a councilman of the congregation.

They are the parents of seven children, all of whom will be present with their families for the golden wedding reception. They are: Fred A. Thompson, 941 Beckford street; Mrs. E. E. McClymonds, 1409 Albert street; Mrs. J. E. Lockley, 313 Sumner avenue, all of this city; Mrs. L. L. Rawle, Alliquippa, Pa.; Rev. Charles O. Thompson, Dayton, O.; Mrs. W. J. Bauman, Lakeland, Fla.; and Mrs. R. N. Best of Morristown, N. J. There are 17 grandchildren.

ENGAGEMENT TOLD AT FAMILY DINNER

At a dinner in their home on June 13, Mr. and Mrs. Louis Lys, of 425 Galbreath avenue, announced the engagement of their daughter, Caroline Lys, to Michael Slavosky, son of Mr. and Mrs. S. Slavosky of Strubbers, O. Miss Lys is an operator for the Bell Telephone company and her fiancé is employed at the Youngstown Sheet and Tube company. The engagement will terminate in a wedding on September 28.

NEWS GIRLS PICNIC AT CASCADE PARK

Girls of The New Castle News enjoyed a basket picnic at Cascade Park Thursday evening served at 6:30 in a shelter near the swimming pool.

Following dinner, diversions of the park provided entertainment, roller skating, rifle shooting, etc. until the rain brought the evening to a close.

Arrangements were in charge of Miss Laura Snider, Miss Glenna Doory and Miss Mary Virginia Harris.

WEDDING PARTY REHEARSAL HELD

On Thursday evening, the wedding rehearsal for Miss Geraldine Hare and Harold Hutchinson took place in the Reformed Presbyterian church, with Miss Lois Blair, supervising.

Miss Hare, daughter of Mr. and Mrs. Frank Boher, of 637 East Washington street, and Mr. Hutchinson, son of Mr. and Mrs. Lloyd Hutchinson, of 16 Bank street, North East, Pa., will be married this evening at an open church wedding at 7:30 o'clock, in the Reformed Presbyterian church. A reception will follow.

Immediately after the rehearsal last evening the bridal party was feasted at a party at the Boher residence. Members of the bridal party in attendance were: maid of honor Helen Boher, bridesmaids, Jeanne Norman and Phyl Marina, Clarence Hutchinson is to be his brother's best man. Ushers are: Robert Hutchinson and Marlin Hare.

Mademoiselle Club

Members of the Mademoiselle club had a picnic Wednesday evening on the Slippery Rock, with their husbands as guests.

Games and contests provided the evening's diversion. Husband calling contest was won by Mrs. Vicky Edna Pezom and Vincent DeCarbo. The egg contest by Armond Ascorie and as a special feature a door prize went to Michael DeCaprio. The latter part of the evening was spent dancing.

Next meeting will be in the form of a theatre party on July 1, with Mrs. Vicky Ascorie as hostess.

NEWLYWEDS 'AT HOME' FOLLOWING WEDDING

Mr. and Mrs. Martin A. Haltunen have taken up residence at 802 North Coler avenue, Urbana, Ill., following a trip through northern Illinois.

The bride is the former Elizabeth Butler, daughter of Mr. and Mrs. Donald M. Butler of Sullivan, Ill., and the groom is the son of Mr. and Mrs. Armas Haltunen of Slippery Rock, Pa.

Their wedding in the first Presbyterian church of Sullivan was an event of June 12, the ceremony taking place at 1:30 o'clock in the afternoon in the presence of 160 guests. Rev. Edward Vanlavan officiated, assisted by Rev. Roland Reichmann.

Included in the bridal party were David Haltunen of Slippery Rock, who served his brother as best man, and another brother, William Haltunen who was an usher.

A reception at the home of the bride's parents followed the ceremony.

The bride is on the nursing staff of Carle Memorial hospital in Urbana and the bridegroom, a veteran of 2½ years with the army ground forces in the ETO during World War II, is a junior at the College of Electrical Engineering of the University of Illinois. He previously attended Grove City college.

From this vicinity Mr. and Mrs. Armas Haltunen, David Haltunen and William Haltunen of Slippery Rock, Mrs. Otto Suorsa of Harlanburg and Mrs. Karl J. Kivisto and Miss Esther Lehto of New Castle attended the wedding.

BU-Pi-GAR CLUB PICNIC JULY 18

At the home of Miss Edith Cipriani, Lutton street, on Wednesday evening, the club picnic was announced to be on July 18, instead of June 27, as was originally planned.

Mildred Felasco was in charge, and sewing and chat were pastimes. Later the group toured the newly built home of Mrs. Rose George at Hazen street.

Special guests were Mrs. Jean Naddour and Charlotte Cipriani. A dainty lunch was served, Mrs. Naddour and Margie Colella aiding the hostess. The latter also received the club token.

Miss Colella will be hostess, July 7, at her home, Hamilton street.

Birthday Party Given

Mrs. Mary Tessum was surprised Wednesday evening, when her children and a group of her friends gathered at her home at 1119 West Washington street to honor her on her birthday.

Songs and recitations furnished entertainment. Delicious refreshments were served by her daughters and Mrs. Louis Ohsch, at a prettily appointed table.

Golden Wedding Reception Planned For Mr. And Mrs. C. R. Thompson

Mr. and Mrs. Charles R. Thompson of 114 Euclid avenue will observe their fiftieth wedding anniversary Tuesday, June 29, with a reception at the home of their daughter and son-in-law, Mr. and Mrs. Joseph E. Lockley, 315 Sumner avenue. Open house will be held there for neighbors, friends and relatives from 2 to 4 o'clock in the afternoon and from 7 to 9 o'clock in the evening.

Prior to her marriage, Mrs. Thompson was Laura M. Oesterling, daughter of Pete and Catherine Shoppe Oesterling, and was born in Butler county.

Mr. Thompson was born in New Castle, son of John and Josephine Reynolds Thompson, descendants of a family that dates back to the early pioneer days of New Castle. The present Reynolds street ran through the home farm and bears the family name today.

Mr. Thompson is known to most business men in New Castle as the former owner of the New Castle Transfer Co. He started this business in 1905, with one team and one wagon. In the early twenties he changed from horse driven

equipment to motor trucks. In 1930 he entered the retail gasoline business. During the war he took a position with the Lockley Machine company and is still actively engaged there.

The couple were united in marriage by Dr. J. H. Miller, formerly of St. John's Lutheran church. Dr. Miller, now retired, lived in New Castle and plans to be among those who will join in the golden wedding celebration.

Mrs. Thompson is a charter member of St. John's Lutheran church, and Mr. Thompson served many years as a councilman of the congregation.

They are the parents of seven children, all of whom will be present with their families for the golden wedding reception. They are: Fred A. Thompson, 941 Bedford street; Mrs. E. E. McClemonds, 1409 Albert street; Mrs. J. E. Lockley, 313 Sumner avenue, all of this city; Mrs. L. L. Rawls, Alliquipp, Pa.; Rev. Charles O. Thompson, Dayton, O.; Mrs. W. J. Bauman, Lakeland, Fla. and Mrs. R. N. Bost of Morristown, N. J. There are 17 grandchildren.

ENGAGEMENT TOLD

AT FAMILY DINNER

At a dinner in their home on June 13, Mr. and Mrs. Louis Lys, 425 Galbreath avenue, announced the engagement of their daughter, Caroline Lys, to Michael Slavosky, son of Mr. and Mrs. S. Slavosky of Struthers, O. Miss Lys is an operator for the Bell Telephone company and her fiancé is employed at the Youngstown Sheet and Tube company.

The engagement will terminate in a wedding on September 28. Out-of-town guests at the dinner were Mr. and Mrs. S. Slavosky of Struthers, Mr. and Mrs. E. Oleck of Youngstown, Mr. and Mrs. J. Slavens of Poland, O., and Mr. and Mrs. M. Pilch of Sharon.

NEWS GIRLS PICNIC

AT CASCADE PARK

Girls of The New Castle News enjoyed a basket picnic at Cascade Park Thursday evening served at 6:30 in a shelter near the swimming pool.

Following dinner, diversions of the park provided entertainment, roller skating, rifle shooting, etc. until the rain brought the evening to a close.

Arrangements were in charge of Miss Laura Snider, Miss Glenna Doerr and Miss Mary Virginia Harris.

WEDDING PARTY

REHEARSAL HELD

On Thursday evening, the wedding rehearsal for Miss Geraldine Hare and Harold Hutchinson took place in the Reformed Presbyterian church, with Miss Lois Blair supervising.

Miss Hare, daughter of Mr. and Mrs. Frank Boehr, of 657 East Washington street, and Mr. Hutchinson, son of Mr. and Mrs. Lloyd Hutchinson, of 16 Bank street, North East, Pa., will be married this evening at an open church wedding at 7:30 o'clock in the Reformed Presbyterian church. A reception will follow.

Immediately after the rehearsal last evening the bridal party was feted at a party at the Boehr residence. Members of the bridal party in attendance were: maid of honor Helen Boehr; bridesmaids, Joanne Norman and Phyl Marino. Clarence Hutchinson is to be his brother's best man. Ushers are: Robert Hutchinson and Marlin Hare.

Mademoiselle Club

Members of the Mademoiselle club had a picnic Wednesday evening on the Slippery Rock, with their husbands as guests.

Gr husbands and contests provided the evening's diversion. Husband calling contest was won by Mrs. Vicky Asclone, balloon contest by Mrs. Edna Pezone and Vincent DeCarbo, the egg contest by Mrs. Asclone and as a special feature a door prize went to Michael DeCarbo. The latter part of the evening was spent dancing.

Next meeting will be in the form of a theatre party on July 1, with Mrs. Vicky Asclone as hostess.

NEWLYWEDS 'AT HOME'

FOLLOWING WEDDING

Mr. and Mrs. Martin A. Haltunen have taken up residence at 602 North Coler avenue, Urbana, Ill., following a trip through northern Illinois.

The bride is the former Elizabeth Butler, daughter of Mr. and Mrs. Donald M. Butler of Sullivan, Ill., and the groom is the son of Mr. and Mrs. Armas Haltunen of Slippery Rock, Pa.

Their wedding in the first Presbyterian church of Sullivan was an event of June 12, the ceremony taking place at 1:30 o'clock in the afternoon in the presence of 160 guests. Rev. Edward VanHorn officiated, assisted by Rev. Roland Reichmann.

Included in the bridal party were David Haltunen of Slippery Rock, who served his brother as best man, and another brother, William Haltunen who was an usher.

A reception at the home of the bride's parents followed the ceremony.

The bride is on the nursing staff of Carle Memorial hospital in Urbana and the bridegroom, a veteran of 2½ years with the army ground forces in the ETO during World War II, is a junior at the College of Electrical Engineering of the University of Illinois. He previously attended Grove City college.

From this vicinity Mr. and Mrs. Armas Haltunen, David Haltunen and William Haltunen of Slippery Rock, Mrs. Otto Suorsa of Harlanburg and Mrs. Karl J. Kivisto and Miss Esther Lehto of New Castle attended the wedding.

BU-PI-GAR CLUB

PICNIC JULY 18

At the home of Miss Edith Cipriani, Lutton street, on Wednesday evening, the club picnic was announced to be on July 18, instead of June 27, as was originally planned.

Mildred Felasco was in charge, and sewing and chat were pastimes. Later the group toured the newly built home of Mrs. Rose George at Hazen street.

Special guests were Mrs. Jean Naddour and Charlotte Cipriani. A dainty lunch was served, Mrs. Naddour and Margie Colella aiding the hostess. The latter also received the club token.

Miss Colella will be hostess, July 7, at her home, Hamilton street.

Birthday Party Given
Mrs. Mary Tessum was surprised Wednesday evening, when her children and a group of her friends gathered at her home at 1119 West Washington street to honor her on her birthday.

Songs and recitations furnished entertainment. Delicious refreshments were served by her daughters and Mrs. Louis Ohach, at a prettily appointed table.

T.E.D. EVENING

BRIDGE THURSDAY

T.E.D. members met Thursday evening in the home of Miss Rose Shaffer, 332 Berger place, for cards. Prizes went to Mrs. Herman Reinhardt, Mrs. Robert Hartman, and Miss Margaret Brundert.

In View Of News Of The World

By J. C. Ostreicher, INS Foreign Director

The frequently aggravating shrewdness of present-day Soviet diplomacy was emphasized forcefully by the Communist policy meeting at Warsaw where Communist world tactics are being decided.

It is inconceivable that the Communists should present time to meet for any reason other than the fact that it coincides with the Republican national convention in Philadelphia.

In the present state of Soviet-American relations, this means confusion confounded.

May Hold Up Statement

There is reason to believe that the Communists may hold up a formal statement on the result of their deliberations until the Republican nominees have been chosen to run on a platform whose foreign policy is based upon Soviet and Communist actions in the past.

The conference may well proclaim a program for the future that throws many things in a different light. Or at least it may bring to the fore certain problems that have been allowed to rest and whose resurfacing at this moment of American political disunion can mix things up even more.

One is recollection of Poland's western border. The present rulers of Poland are far from satisfied with the temporary partition decided upon at the end of the second world war.

Another is Trieste.

In Case Of Trieste

The purpose of timing of Russia's convention in Warsaw is demonstrated particularly in the case of Trieste.

Just before the elections in Italy which dealt such a heavy blow to Communist hopes, the United States, Great Britain and France proposed that Trieste be returned to Italy.

For the Italian people, this satisfied a surging ambition. But under four-power agreements, it was essential for the western allies to present the proposal to Moscow.

This was one. And ever since the allies have been waiting for acceptance, rejection or a counter-proposal. All the Soviets say in dodging the issue is that they cannot tolerate any such so-called "undemocratic procedure."

Shrewd In Sowing Confusion

The Soviets are past-masters in the art of taking advantage of any political situation, and equally shrewd in sowing confusion.

They have been pondering for a long time what they can do to improve their waning prestige, the loss of which can hardly be helpful to them.

Shrewd In Sowing Confusion

The Soviets are past-masters in the art of taking advantage of any political situation, and equally shrewd in sowing confusion.

They have been pondering for a long time what they can do to improve their waning prestige, the loss of which can hardly be helpful to them.

The Fear Of Militarism

(By Holmes Alexander)

WASHINGTON, D. C., June 25.—Come January and the 81st Congress, one of the things not to miss will be the indignation of high-brain internationalists when Rep. Dewey Short, the Missouri braggart, becomes chairman of the House Armed Services Committee.

Short, whose seniority ranks him as heir presumptive to Chairman Walter G. Andrews, a non-candidate for reelection, nearly caused the internationalists a spasm in his fight against the draft bill. They know, as does everyone who followed that fight, that Short had more to do with the denaturing of the draft act than the noisy Marcantonio and the misguided young newcomer to Congress, Isaacson. Not only did Short swing many a vote by the button-hole art, but he swung many more by his hammy and nasal speeches on the floor and in committee. What appals the internationalists is the fear that Short, when chairman, will change the Armed Services Committee into a Disarmed Services Committee.

Reason For Fears

He gave, in the closing days of the session, much reason for such fears. Short had a set speech—I heard him use it more than once—in which he pulled all the stops. He saw nothing to worry about, he told his listeners, in the peace-loving, hard-working Russians whom he once visited back in the early thirties. He shuddered, however, to think how the American nation was running into war, bankruptcy and ruin because of the machinations of our militarists. Short's hatred of the military is the whole burden of his cry. "No militarism," he shouted in a meeting of the House Rules Committee, "ever had a big enough congregation. No general ever had a big enough army." Short's concept of duty seems to be to deny the generals this alleged ambition at all costs.

Such a man, an unembarrassed brass-baiter, is laughably out of place at the head of a military committee. But it would be wrong to think that all the congressmen who helped him trim down the draft act are of his stripe. Short was influential because, although he said a lot of foolish things, he also said some things that are in quieter and more reasoned minds. The fear of militarism is a very real fear in Washington today. One can discount the line of Henry Wallace about the nefarious schemes of Secretaries Forrestal and Marshall, but one cannot lightly dismiss the lengthening shadow of military control within the government.

Gives Peacetime Powers

It is all too obvious that a conscript army gives peacetime power to generals and their political cohorts. And beyond the military influence on young American manhood, there is the inescapable influence that it brings to bear on our economy. Not all of any procurement officers are as revoltingly crooked as Maj. Gen. Bennett Myers, now languishing in prison, but let us remember that Myers was regarded as a great success in the Army. It takes a certain quality of ruthlessness to get things done in military circles. The army procurement officer is not supposed to be a buyer from Macy's. He is, in every case, under orders from his superiors to "complete the mission"—even buying canned goods is a "mission" in the Army—and no good officer likes to bring back excuses. He likes to bring home results, and he knows few questions will be asked.

Many congressmen have sensed the fact that rapid peacetime rearmament will play hob with the normal course of business. They recognize the necessity of rearmament, but their hands are itching to lay hold of some safeguards against military snatch-and-carry. As the 70-group Air Force begins to make its industrial weight felt, leaders in Congress will try to work out devices to control it. Unfortunately these devices, if they fall into the hands of brass-baiters, can be injurious alike to military procurement and civilian economy. With Rep Short, assuming his reelection which is regarded as a certainty, in the chairmanship of the Armed Services Committee and dedicated to make it a disarming board, some strange doings are in sight for next year.

Washington Calling

Dewey Managers Show Skill

PHILADELPHIA, June 25.—A sense of anti-climax hung over this convention Thursday. It had been billed as a slant-bang fight but with each hour that passed it looked more like a stage setting, carefully lighted, carefully managed.

Particularly among the eager amateurs who spent a great deal of money and unlimited energy in behalf of Harold Stassen, there was a sense of letdown. They felt that something unfair, something slightly sinister, was being put over.

Yet what was happening is in the oldest and firmest tradition of American politics. Skillful managers have almost always done the behind-the-scenes work preparing the way for the victorious nominee.

Two Men Could Have Been Cast

Two men conceivably could have been cast in the role of popular hero at this convention. The opportunity was wide open for Senator H. Vandenberg of Michigan. But the truth is that neither by temperament nor predilection has he any bent for becoming a popular hero.

The whole concept is alien to the senator who at 64 has risen to eminence by the most careful kind of party regularity. Whenever he has to oppose his own party, or even a substantial portion of it, he is distinctly uncomfortable. In his leadership on foreign policy his solid achievement has been to compel the party to follow him by not too rapid stages. No, Arthur Vandenberg is not a Bryan, nor a Teddy Roosevelt or a Wilkie.

Stassen's chance to be a popular hero and perhaps to storm the convention faded before Philadelphia. Whether he went of his own accord or whether he was pushed, he found himself in the middle of too many compromises. He ceased to have the glow and the shine of a proud knight fighting alone.

Take No Chances

It is important, too, to remember that the domestic thought in the minds of most delegates is victory. As the Republican news phrases it in an appeal for campaign contributions, "The stakes are too high to take any chances." That is in itself almost sufficient explanation for the careful stage managing and the caution. Not too far behind the delegates are all sorts and conditions of powerful men who believe the GOP will lead them into the promised land. They may be disappointed but at least they will not be deceived.

URGENT PHONE CALL

For various curious reasons I've been called upon the phone. Friends have awakened me at midnight when I'd thought they'd better know. I've been called away from dinner. I've been summoned from my bath.

Though I'm sorry to confess it, I've had calls arousing wrath. But a call the other morning set me laughing through the day: "Did you take my toothbrush, grandpa?" I heard little Janie say.

Only three years old last April, and as smart as she is small, insisting to her mother that her grandpa she must call.

"Hi!" she shouted when I answered. Since they'd hunted here and there, and that necessary article had vanished into air.

"Dir you take my toothbrush, grandpa?" Oh, it almost floored me flat!

Was ever any grandpa asked a question such as that?

I chuckled through the morning, and I chuckle as I write; And I'm sure this I shall chuckle if I wake throughout the night. "Did you take my toothbrush, grandpa?" It's still ringing in my ears.

I shall certainly repeat it 'til my time to go appears. "Did you take my toothbrush, grandpa?" Now when all is said and done.

That's one reason being grandpa is an endless round of fun. (Copyright, 1948, Edgar A. Guest)

HM! THERE'S THAT GLEEFUS WOMAN WITH A NEW HAT. WHY CAN'T YOU COME HOME LATE FROM A BRIDGE GAME AND BRIBE ME WITH A HAT OUT OF YOUR WINNINGS?

Only three years old last April, and as smart as she is small, insisting to her mother that her grandpa she must call.

"Hi!" she shouted when I answered. Since they'd hunted here and there, and that necessary article had vanished into air.

"Dir you take my toothbrush, grandpa?" Oh, it almost floored me flat!

The Parent Problem

By Garry C. Myers, Ph. D.

DON'T TREAT CHILD LIKE A TOY

Children are not machines, nor are they pawns or pets. Even the new-born infant can't be handled with such ease. Yet much that is said or written about children seems to assume that we guide a button-here or pulling a lever there.

We do need to press some buttons and pull some levers; there are many tricks and devices which work pretty well. Yet none of these may work very well with some children, for there are countless ways to press the buttons and pull the levers.

Young Child

It is significant that such terms as "child training" and "child care" are so often used in relation to dealing with the young child. "Child development" is a happier term, especially when the interest is centered on how the child develops and about all the forces favorable to his best development.

In such a simple matter as bathing the baby, following all the rules for the physical handling of him might not suffice to guarantee the enjoyment of the bath. The mother's state of feelings and emotions at the time may be a large factor. How serene and at peace with the world does she feel then, for example? These feelings and emotions of hers may reach back many hours, months or years, even to her own infancy.

Usually, the most powerful factor in her feelings and emotions as she cares for the infant or child is her emotional relationships with her husband. Indeed, this relationship is the latest single factor in her relationship toward her child at two weeks, two years, or sixteen years of age.

Consider his food taking. If the infant is breast fed the quantity and quality of his food may be determined largely by the mother's feelings and emotions toward her husband. Think of all the problems the mother may have over the child's eating at nine months, three years or ten years.

His "bulimia," "Eating Problems," "Their Prevention and Correction," may be had in a stamped envelope by writing me at 235 East 45th Street, New York, N. Y. Eating problems would be almost unknown but for hampering emotions in the mother. Just don't forget that these hampering emotions can't be wholly unrelated to all her other emotions, particularly to the most central ones—those in relation to her husband.

This is also true in matters of guiding the child in all routine habits, not to mention all the problems of necessary restraints and requirements of him and winning of his cooperation now and later.

In all this talking and writing about the child's security, the very core of the matter is rarely mentioned—the mother's emotional security (the father's, too)—the well-being of relationships between the parents. Let parents seek these first and all other good things may easily be added unto them.

BIBLE THOUGHT

This is my commandment. That ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends. Ye are my friends, if ye do whatsoever I command you. John 15:12, 13, 14.

"Was Socrates guilty?" was warmly argued at a Great Books forum. For another academic debate: Were the Kansas City vote burglars guilty?—St. Louis Globe-Democrat.

correct uplift and support

This beautifully designed garment combines the charm of correct figure lines with healthful and comfortable support. The correct degree of abdominal uplift is assured because Belt, Clasp or Hook and Eye Fronts of many proportions can be combined with Backs of varying sizes and lengths. Side lacings provide convenient adjustment and adequate figure control. This garment improves posture and is very effective for the relief of backache, dropped stomach, hernia and similar conditions which require firm abdominal support. It is excellent for maternity wear.

This is only one of the hundreds of healthful and figure-flattering foundations offered by New Castle's newest corsetry service. Let our experts help you attain your own ideal of "figure personality".

Walmo Girl Is Struck By Auto

Nancy Jane Earl, aged 14, daughter of Mr. and Mrs. Gerald Earl, Walmo, is in the Jameson Memorial hospital, suffering from a severe laceration of her scalp, sustained in an auto accident on the New Wilmington highway, about 3:30 p. m. Thursday.

According to the State police's

report, the girl ran across the road and was struck by an auto operated by Jerry D. Crowl, 513 Wildwood avenue, New Castle.

COLLECT JUKE TAX

City Mercantile Tax Collector James Mayberry, is collecting a tax on all juke boxes in the city, in conformity with an ordinance adopted by city council some weeks ago. However, the operators of the music boxes are paying only \$7.50, or one half the annual tax because of one half year's operation.

Recruiting Ends For Guard Units

Believe Quota Will Be Reached, Lt. Col. Mitchell States Today

Special recruiting by National Guard units to beat the draft ended late yesterday afternoon, when President Truman signed the Selective Service act passed by Congress putting a halt to the enlistment of young men of draft age in a statement this morning, Lt. Col. George F. Mitchell, commander of the 229th Field Artillery, said it was believed the local units would reach the quota, in spite of the apathy shown by local young men.

In other localities there was a tremendous rush on the part of those who will be affected by the legislation, and most quotas were filled in other places several days ago.

Expect to Fill Quota Headquarters battery and the medical detachment have already been filled, and it is believed that enough men will be successful in passing the physical examination who have applied for enlistment to fill the service battery.

In the future the only young men who can enlist in the National Guard will be those who have not passed the age of 18 years and six months. All young men will be required to register on attaining their 18th birthday, but will not be subject to induction until they are 19 years of age.

Those who are called up in the draft will have to serve 31 months at some military camp. If they had enrolled in the National Guard they would have only one drill night per week and would have been able to carry on their regular civilian pursuits.

Drinking Fountain Faucets Stolen

Owen Fox, parks caretaker, was much chagrined today to find that some thief had stolen the faucets from the drinking fountains near the Spur station, East Washington street, and also that from the East Street fountain. The material is hard to replace. "Don't blame the parks department for lack of water at the fountains. Blame those who steal parts of the fountain" Fox stated.

Speech Students To Present Plays

Program To climax Institute At
Westminster; News Of
College Town

(Special To The News)
NEW WILMINGTON, June 25.—Climaxing the two-week high school speech institute at Westminster college, three one-act plays will be presented by the high school students of this evening. Speech students of ten high schools, selected on the basis of scholarship, character and definite interest in the field of speech arts, have attended the fourth annual institute of the college. The plays, "Overtones," "Will O' the Wisp," and "The Wedding" under the direction of three college speech majors, will be open to the public.

NEW WILMINGTON NOTES
Dr. and Mrs. John Orr have returned from Hartford, Conn., where they attended graduation exercises at Trinity college. Their son, John, received his Bachelor of Arts degree.

The Co-Captains class of the United Presbyterian church will hold a picnic this evening at the Community park. Dinner will be served at 6:30.

Attendance at the community swimming pool has been unusually good during the past several days. Jack Herbert, swimming instructor, has started morning classes for beginners.

Mr. and Mrs. Elmer Newton are home after spending several months in Texas and at Ellwood City. Mr. Newton is the former local postmaster.

The Children's Day program at the Methodist church will be presented at 11 a. m. Sunday with Mrs. Frederick Rowland in charge. Fillmore Campbell has returned home after attending commencement exercises at his alma mater, Amherst college, Amherst, Mass.

Robert Kelly, son of Rev. and Mrs. Robert Kelly, South Market street, is recovering after undergoing an eye operation in Buhl hospital Wednesday.

Mrs. Dora E. Scott and the

Misses Helen M. Francis and Mary Galbreath have left on a motor trip to various points of interest throughout the nation. The WCTU will meet at 2:30 p. m. Tuesday at the U. P. church. Miss Ruth Seley and Mrs. W. H. McTeak will be the speakers. Mrs. John Orr will be the leader and Miss Dora Ludwick and Mrs. J. H. Spencer will be the hostesses.

Croton Playground 'On Wheels' Show

Croton playground held its "On Wheels" show Wednesday afternoon at 3 o'clock, with a large visiting audience in attendance. The spectacle included various kinds of wagons, carts, bikes and even a jeep.

First prize went to Dickie Conner for his jeep, which was the most neatly decorated.

Second prize was awarded to John Pollitt and David Derosa who rode and displayed a bicycle built for two.

Third prize went to Carolyn Melnick for having the smallest bike at the show.

Honorable mention was received by Barbara Cook's highly decorated bike. Charlotte Eckley's hobby horse, Bill Ridenbaugh's cart, and Artie Prioletti's decorated bike advertising Chesterfield cigarettes.

Prizes for the show were donated by the playground instructor, Mrs. Margaret Memo.

Judges for the event were Mrs. LaVern Seaton and Mrs. Lydia Baker.

Sampson Alliance Will Have Picnic

Sampson Street Alliance Sunday school will enjoy its annual picnic at Gaston Park Saturday, June 26, with cars leaving the church at 1 p. m.

Contests, races and a ball game between the married and single men will take place at 6:30 p. m.

Children like cocoa when a marshmallow is floated on each cup.

Around Hollywood
By RUTH BRIGHAM
(International News Service Staff Correspondent)

HOLLYWOOD, June 25.—(INS)
—Hollywood is beating a path to the Arrowhead Hot Springs, but it's not there "fastest with the mostest" and the Schnozz will be inaugurated mayor of the swank resort Sunday.

Arrowhead Hot Springs may not have as pretty mayor as "29 Palms"—Esther Williams—but it's a cliché they have a louder one! Durante will be installed in the new office by Mayor James E. Cunningham, of San Bernardino, who is no slouch as a mayor himself. Cunningham, youngest mayor of a city in the United States, only ran

for office when he returned from overseas duty, in order to let the people know he was back. Thought that would boost his law practice. But the people took him seriously and elected him to head their city of 200,000.

Speech Students To Present Plays

Program To Culminate Institute At
Westminster, News Of
College Town

(Special To The News)
NEW WILMINGTON, June 25.—Climaxing the two-week school speech institute at Westminster college, three one-act plays will be presented by the high school students this evening. Speech students of ten high schools, selected on the basis of scholarship, character and definite interest in the field of speech arts, have attended the fourth annual institute of the college. The plays, "Overtones," "Will O' the Wisp" and "The Wedding" under the direction of three college speech majors, will be open to the public.

NEW WILMINGTON NOTES
Dr. and Mrs. John Orr have returned from Hartford, Conn., where they attended graduation exercises at Trinity college. Their son, John, received his Bachelor of Arts degree.

The Co-Captains class of the United Presbyterian church will hold a picnic this evening at the Community park. Dinner will be served at 6:30.

Attendance at the community swimming pool has been unusually good during the past several days. Jack Herbert, swimming instructor, has started morning classes for beginners.

Mr. and Mrs. Elmer Newton are home after spending several months in Texas and at Elwood City. Mr. Newton is the former local postmaster.

The Children's Day program at the Methodist church will be presented at 11 a. m. Sunday with Mrs. Frederick Rowland in charge.

Misses Helen M. Francis and Mary Galbreath have left on a motor trip to various points of interest throughout the nation. The WCTU will meet at 2:30 p. m. Tuesday at the U. P. church. Miss Ruth Seley and Mrs. W. H. McTeak will be the speakers. Mrs. John Orr will be the leader and Miss Dora Ludwick and Mrs. J. H. Spencer will be the hostesses.

Croton Playground 'On Wheels' Show

Croton playground held its "On Wheels" show Wednesday afternoon at 3 o'clock with a large visiting audience in attendance. The spectacle included various kinds of wagons, cars, bikes and even a jeep.

First prize went to Dickie Conner for his jeep, which was the most neatly decorated.

Second prize was awarded to John Pollitt and David Derosa who rode and displayed a bicycle built for two.

Third prize went to Carolyn Melnick for having the smallest bike at the show.

Honorable mention was received by Barbara Cook's highly decorated bike. Charlotte Eckley's cart, and Arlie Priolelli's decorated bike advertising Chesterfield cigarettes.

Prizes for the show were donated by the playground instructor, Mrs. Margaret Memo. Judges for the event were Mrs. LaVern Seaton and Mrs. Lydia Baker.

Sampson Alliance Will Have Picnic

Sampson Street Alliance Sunday school will enjoy its annual picnic at Gaston Park Saturday, June 26, with cars leaving the church at 1 p. m.

Contests, races and a ball game between the married and single men will take place at 6:30 p. m.

Around Hollywood

By RUTH BRIGHAM
(International News Service Staff Correspondent)

HOLLYWOOD, June 25.—(INS)—Hollywood is healing a path to Arrowhead Hot Springs, but Jimmy Durante got there "fustest with the mostest" and the Schmozz will be inaugurated mayor of the swank resort Sunday.

Arrowhead Hot Springs may not have as pretty mayor as "29 Palms"—Esther Williams—but it's a chance they have a louder one!

Durante will be installed in the new office by Mayor James E. Cunningham, of San Bernardino, who is no slouch as a mayor himself. Cunningham, youngest mayor of a city in the United States, only ran

for office when he returned from overseas duty, in order to let the people know he was back. Thought that would boost his law practice. But the people took him seriously and elected him to head their city of 200,000.

Mecca For Celebrities
The Arrowhead Hot Springs hotel, setting for Sunday's ceremonies, is a mecca for Hollywood celebrities. But think what a view it was for the health-seekers in the dining room not long ago, when at various tables were William Powell and his bride, Diana Lewis...

his Romelle... Ronald Colman and his Benita... Anna Roosevelt Boettiger without her hubby.

The famous spa is probably the only place in America that attracts both the young and healthy and the old and would-be healthy. For its divine year-round honeymoon resort... at the same time offering natural hot springs with baths that surpass those of Carlsbad and other well-known European watering spots.

Clare Boothe Luce took the baths and took what happened to her.

Joan Crawford will desert Warner for the production of her beloved "Miss O'Brien." Joan has bought the screen rights, lock, stock and barrel and will film the story of a school teacher at 20th Century-Fox. Warners thinks their

Joan should have more glamorous roles. But she's a solid actress and doesn't give a hang about glamour if the role is a meaty one. You can look for a good movie—even without Director Ella Kazan, but we hear Joan is enlisting his direction for her production.

British Heads Conferring On Berlin Crisis

LONDON, June 25.—(INS)—The British deputy military governor in Germany arrived in London by plane today to confer with Foreign Secretary Ernest Bevin on the mounting Berlin crisis.

The announcement of the arrival of the governor, Maj. Gen. Nevill C. D. Brownlow, came after Bevin told the House of Commons that the situation in the former German capital is "delicate" and "serious."

He said that Britain's military commander in Germany, Gen. Sir Brian Robertson, has advised him that foodstocks, however, are sufficient to render any immediate anxiety unnecessary.

Decorating For Sesqui Is Begun

Sesqui Queen Will Be Crowned On July 6; Monday Last Day Girls Sell Tickets

A truly festive air is hovering over New Castle. Sesqui week is only a few days away. The streets are beginning to be brightened up with flags and hunting draped on poles, store fronts, signs on buildings, cars, and hats on the heads of those who want to avoid "Kangaroo Court."

This background of brightness and flags are the perfect setting for a large and colorful parade, and music, parade type music will be the finishing touch.

A queen is needed to reign over this week of festivities, and the ticket sales will soon prove whom the lucky girl is to be. Monday is the last day the girls can sell tickets. That means that after that tickets must be purchased at the exchange in Sesqui headquarters on South Mercer street. This exchange will open Tuesday morning at 9 a.m.

After you have purchased your ticket, bring it to headquarters and receive a ticket for the specific night which you wish to attend the pageant. At this time, too, a federal tax must be paid on the ticket. There are also three sections of reserved seats.

The queen will be crowned on Tuesday night, July 6, at Taggart stadium, and reign over the pageant and festivities for the remainder of the Sesqui week.

Family Overcome By Ammonia Fumes

Firemen Revive Members Of T. F. Flynn Family Thursday Evening

Summoned to the home of T. F. Flynn, of 489 1/2 East Washington street, Thursday evening at nine o'clock, where Mr. and Mrs. Flynn and son, Jack, had been affected by leaking ammonia fumes from a refrigerator, city firemen carried the refrigerator outside and administered oxygen to the affected trio with the department's inhalator. Fire Chief Herman F. Steinbrink announced today.

Those who took part were Assistant Fire Chief William Bowen and Firemen J. L. Oberleitner and P. J. Wimer, of Central station.

Fireworks Are Banned Here

Possession and sale of fireworks are prohibited in the City of New Castle and since the ordinance has been in effect there have been several accidents. Chief of Police Robert D. Hanna has issued instructions to police to enforce the law to the letter.

In ye olden days, according to Dr. W. A. Womer, city health superintendent, there was promiscuous shooting of fireworks, the "shooting," usually beginning the day before the Fourth of July.

In some instances giant firecrackers blew off a finger or two, or a "fizzer" fizzed into a youngster's eye, and "unexploded" fuses went off when it was being examined, with the examiner's face being penetrated by black powder.

This year, as for several years past, fireworks will be taboo, and those possessing or discharging them will be arrested.

Two Small Fires This Morning Here

Firemen were called out twice this morning for small fires, Fire Chief Herman F. Steinbrink stated, small damage resulting.

At 8:15, three companies were called to the Earl J. Dean store at 1704 Highland avenue, where a short circuit had occurred. Firemen disconnected the wiring. The damage was around \$25.

At 9:55 a. m., a call was received by Fifth ward firemen, when a short circuit occurred in the wiring of a truck owned by the Valley Motor Freight at the corner of South Mill and Phillips street. Firemen gave the driver first aid for burns of the hands, received in trying to disconnect the wires.

Martin Gantz Reunion Slated For August 19

The executive committee for the Martin Gantz reunion met Thursday evening in the office of Charles E. Mayne.

President Archie Cubbison conducted the meeting and appointed the different committees to serve at this year's reunion.

Thursday, Aug. 19, is the date set for the assembly, which will gather at the Cathedral at six o'clock. Dinner will be served at 6:30 and will be followed by the annual business meeting and entertainment.

Tickets for the affair may be obtained from the secretary, Kathryn Kilbreath, or Earl Douglas. Local Martin Gantzers are asked

to notify their out-of-town friends about this date and invite them to attend the reunion this year.

The program will be presented by Archie Bratsche, Reed McCullough and "Bob" Thompson. Indications are that they will have a fine entertainment for the enjoyment of the guests.

Another meeting will be held in the near future, for the purpose of advancing the plans for this annual affair which, the committee hopes, will be one of the best ever held.

AUTO WORKER INJURED
Wayne Fullerton, aged 18 years, of 220 Hazelcroft avenue, suffered a severe laceration of the head while at work at the Castle Buick company. He was struck by a tire rim, when a tire he was inflating let go. He received treatment at the Jameson Memorial hospital Wednesday.

RETURN LIFE-BOAT
Police Lieutenant Suber and Policeman Criswell went to McConnell's Mills last night and returned to the city the police department life-boat which was used in the search for the bodies of two young people who drowned recently. Their bodies were found.

ATTENDS TWO-WEEK COURSE
John Cornelius, principal of the Oak Street and Rose Avenue school is enrolled in a reading workshop, being conducted at the University of Pittsburgh.

The course, which will start Monday, June 28, will last for two weeks.

FLEMISH RABBIT KILLED
Flemish rabbit, property of A. Graziano, 1038 Butler avenue, was run over and killed by an auto last night in Butler avenue.

No Speeches By Mrs. Thos. Dewey

Wife Of Presidential Candidate Says She Feels Weight Of Responsibility

By MARTHA KEARNEY
(U. S. Staff Correspondent)

PHILADELPHIA, June 25.—Mrs. Thomas E. Dewey revealed today that her first reaction to her husband's nomination was "the feeling of a great weight of responsibility."

She added immediately: "Actually, I was very proud—but I've been proud of my husband for a long time."

Frances Dewey looked tired as she faced a news conference. She said that she had had about six hours sleep last night "which is pretty good for this week." She is also suffering from a mild case of laryngitis.

Looking Toward Best
The wife of the Republican presidential nominee said she is looking forward to a post-convention "rest in a cool place—preferably at the Dewey farm in Pawling, N. Y. She said however that no plans for leaving Philadelphia have yet been made."

Asked if there was any doubt in her mind about the outcome of the November election, Mrs. Dewey laughed.

"I didn't bring my crystal ball with me."

Mrs. Dewey told newsmen that she has never been in the White House and refused to "generalize" about the ideal role of a first lady.

No Speechmaking
At the same time she said that since the beginning of Governor Dewey's public career she has followed a self-devised policy of "no speech-making, being a wife and being as much help as possible to my husband."

Mrs. Dewey said that she would

probably accompany her husband on any campaign trips he might make, as she has always done, but will probably not do any active campaigning on his behalf.

Philadelphia Storm Causes Great Damage

PHILADELPHIA, June 25.—(INS)—Thousands of dollars in property damage was left in Philadelphia and surrounding areas today in the wake of a violent electrical storm which led to at least three deaths and scores of injuries.

The brief storm was accompanied by a mile-a-minute gales which uprooted trees and ripped power lines over a wide area, darkening thousands of homes and blocking many roads.

The storm subsided as last night's session of the Republican convention got underway. A huge double rainbow then spread across the sky just as the announcement was made that Sen. Robert A. Taft had withdrawn in favor of Gov. Thomas E. Dewey.

Emergency calls swamped police and fire departments and electrical repair crews as the freak storm struck with fury which dropped near record temperatures 19 degrees within an hour. The one-day hot spell had sent the mercury to 93 degrees in the afternoon.

The three deaths occurred near York, Pa., when a small airplane crashed and burst aflame when it was caught in a squall in taking off.

The victims were identified by state police as William Beshore, 26, of York, the pilot; Bernard Mann, and Louis E. Shenberger, both of York.

In Philadelphia, three youths were pinned beneath a wall which crumbled in a recreation center. They were extricated by a fire rescue squad and hospitalized.

Society Clubs

D. O. F. Club
Miss Virginia Stanich, DuShane street, received the D. O. F. club Thursday evening and plans were made for a trip to Kennywood park in Pittsburgh to be held Sunday.

Card playing was the pastime, Mrs. Mary Facelli and Ruth Ciaicella capturing prizes. The latter was special guest and also Mrs. Mafalda Marcella. The club token was won by Mrs. Ann Litvinovich, and she also received a secret sister anniversary gift.

July 22 is the meeting with Mrs. Blanche Pearl, Butler road.

Amerita Club
Mrs. Norman Cuscino, Huey street, entertained members of the Amerita club Thursday. Cards were the diversion with high score going to Mrs. Andrew Nocera and Mrs. Anna Villani. The club token was won by Mrs. Andrew George.

A delicious luncheon was served by the hostess, aided by her daughters, Lucille and Irene.

The group will meet again in two weeks when they will have a tureen dinner at Cascade park.

TEN OF A KIND
WILLOW RUN, Mich.—(INS)—There will be no squabbles among the Southwick clan of Ogden, Utah, over who will use the family car. Each of the ten Southwicks bought a Frazer-Manhattan. Papa William Southwick Sr., an Ogden lumberman, brought six of his sons and three of his daughter-in-law to the Kaiser-Frazer plant at Willow Run recently where they promptly purchased the ten new cars.

More than 85 per cent of all American churches have Sunday schools with an estimated enrollment of nearly 23 million.

DENVER—A poll by the Denver Post indicates that gentlemen do not prefer blondes, at least not in Denver. Of the men questioned, 34 per cent said they preferred brunettes; 18 per cent favored blondes and 7 per cent preferred red-heads. Forty-three per cent frankly admitted that they didn't care about the color of the lady's tresses.

ALTOONA, Pa.—(INS)—Prisoners at the Blair County Prison have given the Hollidaysburg jail the "new look." Under the supervision of Warden John E. Harvey, the prisoners worked three weeks redecorating the prison. Cell block walls were painted a brighter buff and ceilings were painted white. Each cell was given a coat of gray paint. All this happened after representatives of the Bureau of Corrections, State Department of Welfare, had given the jail a rating of "excellent."

British Heads Conferring On Berlin Crisis

LONDON, June 25.—(INS)—The British deputy military governor in Germany arrived in London by plane today to confer with Foreign Secretary Ernest Bevin on the mounting Berlin crisis.

The announcement of the arrival of the governor, Maj. Gen. Nevill C. D. Brownlow, came after Bevin told the House of Commons that the situation in the former German capital is "delicate" and "serious".

He said that Britain's military commander in Germany, Gen. Sir Brian Robertson, has advised him that foodstocks, however, are sufficient to render any immediate anxiety unnecessary.

Decorating For Sesqui Is Begun

Sesqui Queen Will Be Crowned On July 6; Monday Last Day Girls Sell Tickets

A truly festive air is hovering over New Castle. Sesqui week is only a few days away. The streets are beginning to be brightened up with flags and hunting draped on poles, store fronts, signs on buildings, cats, and hats on the heads of those who want to avoid "Kangaroo Court."

This background of brightness and flags are the perfect setting for a large and colorful parade, and music, parade type music will be the finishing touch.

A queen is needed to reign over this week of festivities, and the ticket sales will soon prove whom the lucky girl is to be. Monday is the last day the girls can sell tickets. That means that after that tickets must be purchased at the exchange in Sesqui headquarters on South Mercer street. This exchange will open Tuesday morning at 9 a.m.

After you have purchased your ticket, bring it to headquarters and receive a ticket for the specific night which you wish to attend the pageant. At this time, too, a federal tax must be paid on the ticket. There are also three sections of reserved seats.

The queen will be crowned on Tuesday night, July 6, at Taggart stadium, and reign over the pageant and festivities for the remainder of the Sesqui week.

Family Overcome By Ammonia Fumes

Firemen Revive Members Of T. P. Flynn Family Thursday Evening

Summoned to the home of T. P. Flynn, of 489 1/2 East Washington street, Thursday evening at nine o'clock, where Mr. and Mrs. Flynn and son, Jack, had been affected by leaking ammonia fumes from a refrigerator, city firemen carried the refrigerator outside and administered oxygen to the affected trio with the department's inhalator. Fire Chief Herman F. Steinbrink announced today.

Those who took part were Assistant Fire Chief William Howen and Firemen J. L. Oberleitner and P. J. Wimer, of Central station.

Fireworks Are Banned Here

Possession and sale of fireworks are prohibited in the City of New Castle and since the ordinance has been in effect there have been fewer accidents. Chief of Police Robert D. Hanna has issued instructions to police to enforce the law to the letter.

In ye olden days, according to Dr. W. A. Womer, city health superintendent, there was promiscuous shooting of fireworks, the "shooting," usually beginning the day before the Fourth of July.

In some instances giant firecrackers blew off a finger or two, or a "fizzer" fazed into a youngster's eye, and "unexploded" fuses went off when it was being examined, with the examiner's face being penetrated by black powder.

This year, as for several years past, fireworks will be taboo, and those possessing or discharging them will be arrested.

Two Small Fires This Morning Here

Firemen were called out twice this morning for small fires, Fire Chief Herman F. Steinbrink stated.

At 8:15, three companies were called to the Earl J. Dean store at 1704 Highland avenue, where a short circuit had occurred. Firemen disconnected the wiring. The damage was around \$25.

At 9:55 a.m., a call was received by Fifth ward firemen, when a short circuit occurred in the wiring of a truck owned by the Valley Motor Freight at the corner of South Mill and Phillips street. Firemen gave the driver first aid for burns of the hands, received in trying to disconnect the wires.

JR. WOMAN'S CLUB HAS TUREEN PICNIC

Junior Woman's club brought its season of meetings to a close until fall with a tureen picnic Thursday evening in the home of Mrs. J. Walter Green, Beechwood road, New Wilmington, with Mrs. Frank Ferris as co-hostess.

Dinner was served at 7:30 indoors due to the rain. Places were set for 25.

It was voted to sell Sesquicentennial bonds and Mrs. Charles Greene was appointed chairman. There was a discussion about procuring a club room for meetings during the coming year and it was decided that if a suitable location can be found, the club will secure such a room. It was suggested that other clubs interested in a similar project contact the president, Mrs. J. Walter Green.

GRAND AUXILIARY PLANS ANNUAL PICNIC

At the Y.W.C.A., members of the Grand International Auxiliary to the Brotherhood of Locomotive Engineers, gathered on Thursday afternoon, for their regular meeting. Mrs. C. A. Probst presided.

Final plans were made for the annual picnic at Cascade Park, Thursday, July 29.

A baked ham dinner will be served at 6:30, in the grove, in shelter 4. Husbands and families will be guests. Entertainment will follow.

Luncheon committee is Mrs. Carl Jewell, Mrs. C. G. Anderson, Mrs. E. C. Durbin, Mrs. Charles Pitzer, Mrs. Donald Warnock, Mrs. S. D. Cox, Mrs. C. A. Probst. Entertainment, Mrs. Victor Beahm, Mrs. Vernon Long, Mrs. R. L. Drumheller, Mrs. Robert Patterson.

Mrs. Clyde Perrine of Punta Gorda, Fla., a member of the auxiliary was a special guest, and brought greetings to the members. Refreshments were served. Auxiliary meetings will be suspended until fall.

No Speeches By Mrs. Thos. Dewey

Wife Of Presidential Candidate Says She Feels Weight Of Responsibility

By MARTHA KEARNEY
(U. S. Staff Correspondent)
PHILADELPHIA, June 25.—Mrs. Thomas E. Dewey revealed today that her first reaction to her husband's nomination was "the feeling of a great weight of responsibility."
She added immediately: "Actually, I was very proud—but I've been proud of my husband for a long time."
Frances Dewey looked tired as she faced a news conference. She said that she had had about six hours sleep last night "which is pretty good for this week." She is also suffering from a mild case of laryngitis.

Looking Toward Rest
The wife of the Republican presidential nominee said she is looking forward to a post-convention rest in a cool place—preferably at the Dewey farm in Basking Ridge, N. Y. She said however that no plans for leaving Philadelphia have yet been made.

Asked if there was any doubt in her mind about the outcome of the November election, Mrs. Dewey laughed.

She said: "I didn't bring my crystal ball with me."
Mrs. Dewey told newsmen that she has never been in the White House and refused to "generalize" about the ideal role of a first lady.

"No Speechmaking"
At the same time she said that since the beginning of Governor Dewey's public career she has followed a self-devised policy of "no speech-making, being a wife and being of as much help as possible to my husband."

Mrs. Dewey said that she would

probably accompany her husband on any campaign trips he might make, as she has always done, but will probably not do any active campaigning on his behalf.

Philadelphia Storm Causes Great Damage

PHILADELPHIA, June 25.—(INS)—Thousands of dollars in property damage was left in Philadelphia and surrounding areas today in the wake of a violent electrical storm which led to at least three deaths and scores of injuries.

The brief storm was accompanied by a mile-a-minute gales which uprooted trees and ripped power lines over a wide area, darkening thousands of homes and blocking many roads.

The storm subsided as last night's session of the Republican convention got underway. A huge double rainbow then spread across the sky just as the announcement was made that Sen. Robert A. Taft had withdrawn in favor of Gov. Thomas E. Dewey.

Emergency calls swamped police and fire departments and electrical repair crews as the freak storm struck with fury which dropped near record temperatures 10 degrees within an hour. The one-day hot spell had sent the mercury to 93 degrees in the afternoon.

The three deaths occurred near York, Pa., when a small airplane crashed and burst aflame when it was caught in a squall in taking off.

The victims were identified by state police as William Beshore, 26, of York, the pilot; Bernard Mann, and Louis E. Shenberger, both of York.

In Philadelphia, three youths were planned beneath a wall which crumbled in a recreation center. They were extricated by a fire rescue squad and hospitalized.

Society Clubs

D. O. F. Club
Miss Virginia Stanich, DuShane street, received the D. O. F. club Thursday evening and plans were made for a trip to Kennebunk park in Pittsburgh to be held Sunday. Card playing was the pastime, Mrs. Mary Pacelli and Ruth Claiella capturing prizes. The latter was special guest and also Mrs. Anfalda Marcella. The club token was won by Mrs. Ann Litvinovich, and she also received a secret sister anniversary gift.

July 22 is the meeting with Mrs. Dianche Pearl, Butler road.

Amerita Club
Mrs. Norman Cuscino, Huey street, entertained members of the Amerita club Thursday. Cards were the diversion with high score going to Mrs. Andrew Nocera and Mrs. Anna Villani. The club token was won by Mrs. Andrew George.

A delicious luncheon was served by the hostess, aided by her daughters, Lucille and Irene.

The group will meet again in two weeks when they will have a luncheon at Cascade park.

TEN OF A KIND

WILLOW RUN, Mich.—(INS)—There will be no squabbles among the Southwick clan of Ogden, Utah, over who will use the family car. Each of the ten Southwicks bought a 1947 Packard sedan. Papa William Southwick Sr., an Ogden lumberman, brought six of his sons and three of his daughter-in-law to the Kaiser-Frazer plant at Willow Run recently where they promptly purchased the ten new cars.

DENVER—A poll by the Denver Post indicates that gentlemen do not prefer blondes at least not in Denver. Of the men questioned, 34 per cent said they preferred brunettes; 18 per cent favored blondes and 7 per cent preferred red-heads. Forty-three per cent frankly admitted that they didn't care about the color of the lady's tresses.

ALTOONA, Pa.—(INS)—Prisoners at the Blair County Prison have given the Hollidaysburg jail the "new look." Under the supervision of Warden John E. Harvey, the prisoners worked three weeks redecorating the prison. Cell block walls were painted in brighter buff and ceilings were painted white. Each cell was given a coat of gray paint. All this happened after representatives of the Bureau of Corrections, State Department of Welfare, had given the jail a rating of "excellent."

Babson Probes The Future And Gives Observations

By ROGER W. BABSON
(Copyright, 1948, Publishers Financial Bureau, Inc.)
BABSON PARK, Mass., June 25.—During the month of June many important forecasts have been made by scientists in connection with the graduating exercises of the 169 engineering schools of the United States. Some of these seem fantastic; but if we will look back 50 years and compare the things which we have today with what we had 50 years ago, these forecasts will not seem strange.

Insulation Against Gravity
Thus far we have been able to insulate against heat, cold, sound, light and even atomic waves. We, however, have been unable to insulate against gravity. Someday this secret will be discovered. It can be applied to hundreds of things from stair treads to airplanes. It naturally will be rather bearish upon the stocks of certain companies and bullish on others.

We are hearing of all kinds of practical uses for atomic energy; but the one that seems most revolutionary is its use in blowing off mountain tops and in redirecting ocean currents. This would open the way for vast changes in weather conditions making the arid parts of this country and, in fact, the world blossom like a rose. This might make new irrigation projects unnecessary.

What We Eat
In the years ago we certainly will have "no world" or One World. Believing that we then will have One World, we must assume that there will be no tariffs nor further talks about nationalism. Then our food will be raised where God intended it to be raised which is the only way that world peace can be established and maintained. If such a system were adopted at once, it could reduce the cost of agricultural products 50%. Furthermore, if the homes, schools and food advertisers would cooperate to get the American people to eat what and as we should, we all would live to be 100 years old.

Scientists tell us that with every rainfall vitamins and minerals are

being washed from the soil. These flow down the streams into the ocean. Hence, while the land and its products are constantly getting poorer, the ocean and its products are constantly getting richer. Today the ocean is controlled only within three miles of the different countries which it borders. When we have One World, this control will apply to the entire ocean. With the same attention given to the fisheries as is now given to agriculture, the products of the ocean could supply sufficient proteins to every man, woman and child on the earth.

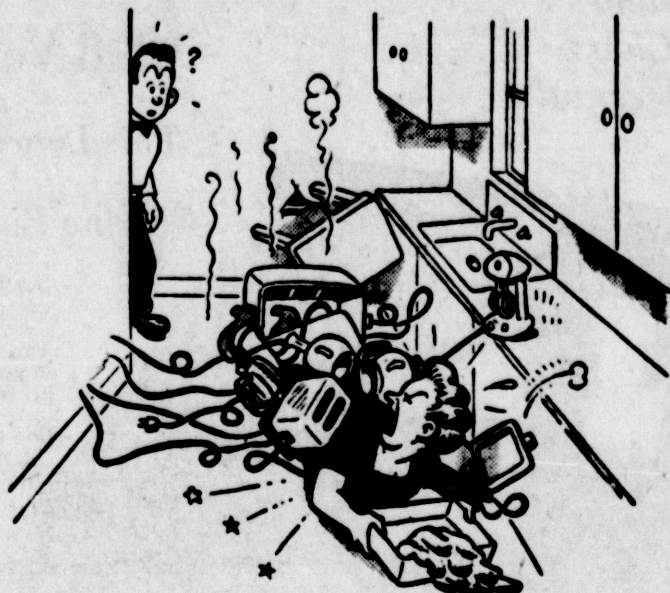

Clothing and Shelter
The weaving of cloth will in all probability be eliminated in the not too distant future. All of our clothing, rugs and upholstery will be made the same as paper is made today. Raincoat manufacturers are already using such material. Our new houses will sometime be prefabricated and would be today were it not for the crazy rules of labor unions and the antiquated building codes. Then there will be a reduction in the cost of living from which wage workers will get a real benefit far exceeding any-

thing which the union labor leaders have thus far given them. Before too many years a start will have been made towards using water and soil as fuel. Wireless and television will have been developed so as to enable—for all practical purposes—the instantaneous transmission or transportation to us as individuals. We will no longer need to take a train, automobile or airplane for a conference a thousand miles away. We can get the same result by sitting in a television booth at or near our home.

Importance of Decentralization
Another very important development will come with decentralization. In fact, I have almost decided to devote the rest of my life to aiding the decentralization of cities, industries and large educational institutions. Not only is decentralization the only defense against atomic and bacteriological attacks, but it is fundamental to efficient, economical and democratic living. We, moreover, must not be content with these material developments but make certain that we progress spiritually as well. The greatest need now is for better mental motivation.

Group insurance in the United States has increased from 630 million dollars in 1918 to 33 billion dollars.

Legion To Sponsor Model 'State' Camp

HARRISBURG, June 25.—(INS)—Practical citizenship training is in store for 1,000 Pennsylvania boys selected to conduct affairs of a model "state" at a summer camp

sponsored by the American Legion. The session will be held July 7-18 at the Indiantown Gap Military Reservation.

The camp was inaugurated in 1936 by the Pennsylvania American Legion to offset the influence of Nazi and Communist youth camps, but was suspended in 1941 due to the war.

Revived for the first post-war

meeting, the camp will be supervised this year by Tom E. Williams, of Wilkes-Barre. He was appointed by State Adjutant General Frank A. Weber, camp chairman.

Thirty Legionnaires who are members of high school and college faculties, were chosen to serve as "Americanism counselors."

Legion Adjutant Edward A. Lin-sky said camp personnel will be organized into "cities" named for

past commanders of the Pennsylvania department. Each "city" will occupy an army barracks. Two cities will comprise a county and the whole encampment will constitute the "boys' state."

Two political parties are scheduled to be formed by the campers. They will nominate candidates for the local, county and state offices.

wage campaigns and hold elec-

tions. Balloting will be conducted with regular voting machines.

After executive, legislative and judicial winners take office their duties will be explained by the counselors.

Morning schedules have been reserved for governmental instruction. The afternoons are free for sports and sightseeing tours, in-

cluding the real seat of govern-

ment at Harrisburg. Highlight of the meeting is "Governor's Day" when the youngsters will be addressed by Gov. James H. Duff, U. S. Sen. Edward Martin, Lt. Gov. Daniel B. Strickler and Weber.

A champion boy orator will be selected in extemporaneous speak-

ing competition among the camp-

ers. The Legion explained the purpose of its encampment in the following statement: "The most effective way to improve government is to educate those on the threshold of citizenship in the science of government."

The peanut is a pea rather than a nut.

Misdirecting his drive, a golfer in Newcastle, South Africa, landed the ball on a freight car of a traveling train, and is awaiting reports of its being found, in the belief he made a record drive.

Babson Probes The Future And Gives Observations

By ROGER W. BABSON
(Copyright, 1948, Publishers Placencia
Bureau, Inc.)
BABSON PARK, Mass., June 25
—During the month of June many
important forecasts have been
made by scientists in connection
with the graduation
exercises of the 169 engineering
schools of the United
States. Some of these seem
fantastic, but if we will look
back 50 years and compare the
things which we have today with
what we had 50 years ago, these forecasts will not
seem strange.

Insulation Against Gravity
Thus far we have been able to
insulate against heat, cold, sound,
light and even atomic waves. We
have, however, been unable to in-
sulate against gravity. Someday
this secret will be discovered. It
can be applied to hundreds of
things from stair treads to air-
planes. It naturally will be rather
burdensome upon the stocks of certain
companies and bullish on others.

We are hearing of all kinds of
practical uses for atomic energy;
but the one that seems most revo-
lutionary is its use in blowing off
mountain tops and in redirecting
ocean currents. This would open
the way for vast changes in weather
conditions making the arid parts
of this country and, in fact, the
world blossom like a rose. This
might make new irrigation projects
unnecessary.

What We Eat
In the years ago we certainly
will have "no world" or One World.
Believing that we then will have
One World, we must assume that
there will be no tariffs nor further
talks about nationalism. Then our
food will be raised where God in-
tended it to be raised which is
the only way that world peace can
be established and maintained. If
such a system were adopted at
once, it could reduce the cost of
agricultural products 50%. Fur-
thermore, if the homes, schools
and food advertisers would cooper-
ate to get the American people to
eat what and as we should, we all
would live to be 100 years old.

Scientists tell us that with every
rainfall vitamins and minerals are

being washed from the soil. These
flow down the streams into the
ocean. Hence, while the land and
its products are constantly getting
poorer, the ocean and its products
are constantly getting richer. To-
day the ocean is controlled only
within three miles of the differ-
ent countries which it borders.
When we have One World, this
control will apply to the entire
ocean. With the same attention
given to the fisheries as is now
given to agriculture, the products
of the ocean could supply suffi-
cient proteins to every man, woman
and child on the earth.

Clothing and Shelter
The weaving of cloth will in all
probability be eliminated in the
not too distant future. All of our
clothing, rugs and upholstery will
be made the same as paper is made
today. Raincoat manufacturers
are already using such material.
Our new houses will sometime be
prefabricated and would be today
were it not for the crazy rules of
labor unions and the antiquated
building codes. Then there will be
a reduction in the cost of living
from which wage workers will get
a real benefit far exceeding any-

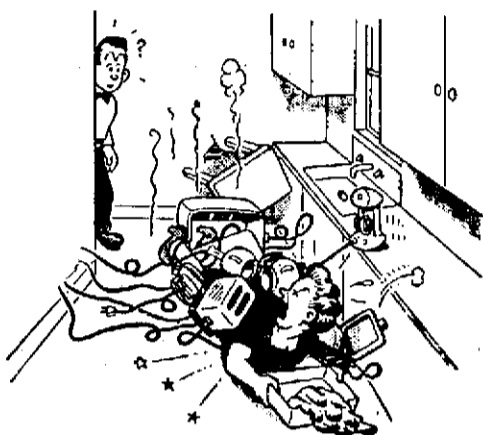

thing which the union labor lead-
ers have thus far given them.

Before too many years a start
will have been made towards using
water and soil as fuel. Wireless
and television will have been de-
veloped so as to enable—for all
practical purposes—the instantaneous
transmission or transportation
to us as individuals. We will no
longer need to take a train, auto-
mobile or airplane for a confer-
ence a thousand miles away. We
can get the same result by sitting
in a television booth at or near
our home.

Importance of Decentralization
Another very important develop-
ment will come with decentraliza-
tion. In fact, I have almost de-
cided to devote the rest of my life
to adding the decentralization of
cities, industries and large educa-
tional institutions. Not only is de-
centralization the only defense
against atomic and bacteriological
attacks, but it is fundamental to
efficient, economical and demo-
cratic living. We, moreover, must
not be content with these material
developments but make certain
that we progress spiritually as
well. The greatest need now is for
better mental motivation.

Group Insurance in the United
States has increased from 630 mil-
lion dollars in 1918 to 33 billion
dollars.

Court House

Rain Halts Job
On War Memorial

Contractor Rushing Task Of
Putting Of Memorial At
Court House

OTHER NEWS OF
COURT HOUSE HILL

Rain Thursday afternoon, put a temporary halt on the work of erecting the memorial to the dead of World Wars, One and Two, which is under way on the Court House property, but the contractor was back on the job as soon as the heavy storm Thursday afternoon, had subsided.

It begins to look as though the job will not be completed this week, but the job will definitely be completed before the opening of the Sesquicentennial and will add to the appearance of the city for that occasion.

SECOND HAND CONVENTION
RETURNS

Court House officials and attaches, who were unable to attend the Republican Convention, took advantage of the lull in business during the storm Thursday afternoon, to tune in on the radio and get the returns from the Republican Convention at Philadelphia.

As most of the court house officials are Republicans, the interest in the outcome of the balloting was at a high pitch.

Health Talks

By DR. W. A. WOMER
City Health Superintendent

BURN-WORK-GROW

The body uses food for three things: heat, energy and growth. Part of the food is used to keep the body warm. In winter or summer; in Alaska or Florida, the body temperature stays at the same point.

Another part is used for energy. It takes gas to make the auto go so it takes food to make the body go.

Growth and the replacement of worn parts uses up food too.

The human body is the most wonderful piece of machinery. It will withstand a lot of punishment. It works fine when it gets the proper care.

Hints On Etiquette

A stenographer or private secretary does not rise to greet visitors to her boss unless it is understood that that is part of her job. She says "Good morning" if addressed, of course, but otherwise keeps on with her work.

Under its constitution Norway is a constitutional hereditary monarchy (adopted May 17, 1814), independent for centuries. The country was united with Denmark (1381-1814) and Sweden from 1814 to 1905, when the two countries signed an agreement repealing the union.

The government of the Dominican Republic has purchased a \$2,000,000 company manufacturing chocolate liquor and other cacao products.

Legion To Sponsor Model 'State' Camp

HARRISBURG, June 25.—(INS)—Practical citizenship training is in store for 1,000 Pennsylvania boys selected to conduct affairs of a model "state" at a summer camp

sponsored by the American Legion. The session will be held July 7-18 at the Indian Gap Military Reservation. The camp was inaugurated in 1936 by the Pennsylvania American Legion to offset the influence of Nazi and Communist youth camps, but was suspended in 1941 due to the war. Revived for the first post-war

meeting, the camp will be supervised this year by Tom E. Williams, of Wilkes-Barre. He was appointed by State Adjutant General Frank A. Weber, camp chairman. Thirty Legionnaires who are members of high school and college faculties, were chosen to serve as "Americanism counselors." Legion Adjutant Edward A. Losky said camp personnel will be organized into "cities" named for

past commanders of the Pennsylvania department. Each "city" will occupy an army barracks. Two cities will comprise a county and the whole encampment will constitute the "boys' state." Two political parties are scheduled to be formed by the campers. They will nominate candidates for the local, county and state offices, wage campaigns and hold elec-

tions. Balloting will be conducted with regular voting machines. After executive, legislative and judicial winners take office their duties will be explained by the counselors. Morning schedules have been reserved for governmental instruction. The afternoons are free for sports and sightseeing tours, in-

cluding the real seat of government at Harrisburg. Highlight of the meeting is "Governor's Day" when the youngsters will be addressed by Gov. James H. Duff, U. S. Sen. Edward Martin, Lt. Gov. Daniel B. Strickler and Weber. A champion boy orator will be elected in extemporaneous speak-

ing competition among the campers. The Legion explained the purpose of its encampment in the following statement: "The most effective way to improve government is to educate those on the threshold of citizenship in the science of government." The peanut is a pea rather than a nut.

Misdirecting his drive, a golfer in Newcastle, South Africa, landed the ball on a freight car of a traveling train, and is awaiting reports of its being found, in the belief he made a record drive. There are only two sets of quintuplets alive today—the Dionne sisters born in Canada in 1934 and the Diligent quintuplets born in 1943 in Argentina.

Seventh Ward**Thursday's Storm Does Much Damage**

Trees Blown Down On North Cedar Street; Hall Falls As Large As Walnuts

About 2:15 p. m. Thursday a storm broke in the ward with great velocity. Rain approaching a cloudburst blew down Madison, Cherry and Wabash avenue in solid sheets across Liberty street from the west.

In a few minutes after the storm began hail began to fall until they reached the size of walnuts, bouncing on the streets like balls. There were a couple of severe flashes of lightning and peels of thunder.

After the storm had abated quite a number of children turned out in their bathing suits and were having a good time wading in the water that had accumulated at the corner of Madison and Liberty East Liberty and the underpass on Lafayette street. City employees were soon on the job at East Clayton, seeking to get the water taken away by the storm sewers. Plants in gardens were cut by the hail.

At the corner of North Cedar and Swansea avenue, fronting the home of Mr. and Mrs. John Russo, a large tree was felled by the storm onto the electric wires on Cedar street and the porch next door. At the side of the Russo home another tree was blown over to the rear upon an apple tree, which it destroyed. The Pennsylvania Power employees were soon on the scene to repair the wire damage. On the southern corner the Metz property, large branches were broken off a poplar tree and two small locust trees were twisted off. Across the street a large weeping willow tree was broken down.

Thursday evening neighbors graciously responded with axes, saws and trucks and removed the fallen trees.

The field case shown above is but one of the many Kodak Carrying Cases we have in stock. All are made of durable leather for long usage. Come in today and pick out the one you want.

**Give Father's Day Banquet Thursday**

In St. Margaret's hall Thursday evening a united fathers' day banquet took place, sponsored by St. Margaret's Council No. 74 and the 1937 club.

A sumptuous turkey dinner was served about 6:30.

After the dinner Mrs. Margaret Masters, president of the 1937 club, presented Nick Perrotta, president of Council 74, with a beautiful brief case. Mrs. Mary Quarto, past president, 1937 club, also presented Mr. Perrotta with a lovely gift from friends.

Winner of balloon contest was Domenick Rossi, who also won the cake march prize, cracker eating contest winner, Frank Masters, chair dance, Bill Bulacio and Frank Mangino; door prizes, John Per-

rotta and Frank Domenick. These contests afforded much merriment. Gifts were presented to the oldest father, Gennaro Prescaro. Youngest father, James Isoldo. Patsy DeLuca entertained with a number of vocal selections. Balance of the evening was spent in dancing to the accompaniment of a local orchestra.

The 1937 club chairman of arrangements was Mrs. Anna Domenick; co-chairlady, Mrs. Margaret Masters. Council 74 chairman, Mrs. Bart Lombardo; co-chairlady, Mrs. Rose Zarilla. Dining room committee, Mrs. Cecelia Perrotta, chairlady; Mrs. Rose DiDario, Mrs. T. C. Rainey, Mrs. Theresa Li Piero, Mrs. Evelyn Perrotta, Mrs. Anna Masters, Mrs. Mary Mangino, Andy Masters, John Perrotta.

There will be a special meeting of Council 74 July 1.

Court House

Rain Halts Job
On War MemorialContractor Rushing Task Of
Putting Of Memorial At
Court HouseOTHER NEWS OF
COURT HOUSE HILL

Rain Thursday afternoon, put a temporary halt on the work of erecting the memorial to the dead of World Wars, One and Two, which is under way on the Court House property, but the contractor was back on the job as soon as the heavy storm Thursday afternoon, had subsided.

It begins to look as though the job will not be completed this week, but the job will definitely be completed before the opening of the Sesqui-centennial and will add to the appearance of the city for that occasion.

SECOND HAND CONVENTION
RETURNS

Court House officials and attaches, who were unable to attend the Republican Convention, took advantage of the full in business during the storm Thursday afternoon, to tune in on the radio and get the returns from the Republican Convention at Philadelphia.

As most of the court house officials are Republicans, the interest in the outcome of the balloting was at a high pitch.

Health Talks

By DR. W. A. WOMER
City Health Superintendent

BURN-WORK-GROW

The body uses food for three things: heat, energy and growth. Part of the food is used to keep the body warm. In winter or summer, in Alaska or Florida, the body temperature stays at the same point.

Another part is used for energy. It takes gas to make the auto go so it takes food to make the body go.

Growth and the replacement of worn parts uses up food too. The human body is the most wonderful piece of machinery. It will withstand a lot of punishment.

It works fine when it gets the proper care.

Hints On Etiquette

A stenographer or private secretary does not rise to greet visitors to her boss unless it is understood that that is part of her job. She says "Good morning" if addressed, of course, but otherwise keeps on with her work.

Under its constitution Norway is a constitutional hereditary monarchy adopted May 17, 1814, independent for centuries. The country was united with Denmark (1814-1814) and Sweden from 1814 to 1905, when the two countries signed an agreement repealing the union.

The government of the Dominican Republic has purchased a \$2,000,000 company manufacturing chocolate liquor and other cacao products.

Thursday's Storm Does Much Damage

Trees Blown Down On North Cedar Street; Hill Falls As Large As Walnuts

About 2:15 p. m. Thursday a storm broke in the ward with great velocity. Rain approaching a cloudburst blew down Madison, Cherry and Wabash avenue in solid sheets across Liberty street from the west.

In a few minutes after the storm began hail began to fall until they reached the size of walnuts, bouncing on the streets like balls. There were a couple of severe flashes of lightning and peels of thunder.

After the storm had abated quite a number of children turned out in their bathing suits and were having a good time wading in the water that had accumulated at the corner of Madison and Liberty East Liberty street. City employees were soon on the job at East Clayton, seeking to get the water taken away by the storm sewers. Plants in gardens were cut by the hail.

At the corner of North Cedar and Swansea avenue, fronting the home of Mr. and Mrs. John Russo, a large tree was felled by the storm onto the electric wires on Cedar street and the porch next door. At the side of the Russo home another tree was blown over to the rear upon an apple tree, which it destroyed. The Pennsylvania Power employees were soon on the scene to repair the wire damage. On the southern corner the Metz property, large branches were broken off a popular tree and two small locust trees were twisted off. Across the street a large weeping willow tree was broken down.

Thursday evening neighbors graciously responded with axes, saws and trucks and removed the fallen trees.

Give Father's Day Banquet Thursday

In St. Margaret's hall Thursday evening a united father's day banquet took place, sponsored by St. Margaret's Council No. 74 and the 1937 club.

A sumptuous turkey dinner was served about 8:30. After the dinner Mrs. Margaret Masters, president of the 1937 club, presented Nick Perrotta, president of Council 74, with a beautiful brief case. Mrs. Mary Quarto, past president, 1937 club, also presented Mr. Perrotta with a lovely gift from friends.

Winner of halloon contest was Domenick Rozzi, who also won the cake march prize; cracker eating contest winner, Frank Masters; chair dance, Bill Bulisco and Frank Mangino; door prizes, John Per-

rotta and Frank Domenick. These contests afforded much merriment. Gifts were presented to the oldest father, Gennaro Prosecco. Youngest father, James Isoldo. Patsy DeLuca entertained with a number of vocal selections. Balance of the evening was spent in dancing to the accompaniment of a local orchestra.

The 1937 club chairman of arrangements was Mrs. Anna Domenick; co-chairlady, Mrs. Margaret Masters. Council 74 chairman, Mrs. Bart Lombardo; co-chairlady, Mrs. Rose Zarillo. Dining room committee, Mrs. Cecelia Perrotta, chairlady; Mrs. Rose DiDario, Mrs. T. C. Hainey, Mrs. Theresa Li-Piero, Mrs. Evelyn Perrotta, Mrs. Anna Masters, Mrs. Mary Mangino, Andy Masters, John Perrotta.

There will be a special meeting of Council 74 July 1.

Camp East Brook Girls Are Enjoying First Camp Period

Group Of More Than 40 Enrolled From New Castle And Out-Of-Town Points

(Contributed)

"Hi, Judy, I'm so glad you're back at camp this year," said Betsy Reynolds to Miss Perry.

"I'm hoping we have another wonderful camp this time," answered Betsy. "I've already seen 'Buzzy' Hurst and met 'Wink' Olson and Jo Martin, two new counselors."

"Nursie" McConnell has already had a casualty to deal with. Betsy White, from Cleveland, just gave up a fingernail practicing baton twirling.

"Queenie" McQueen and "Vicki" Gizzi have just finished painting the mail box.

One gleaming note the campers found on their arrival at camp was shiny new silver tableware, a gift from the Woman's club of New Castle.

On Wednesday the campers had a hilarious time learning to square dance under the direction of "Wink" Olson.

Girls At Camp
Girls enrolled at Camp Eastbrook for the first two weeks are: from New Castle, Susan Chapman, Becky Falls, Norma Jean Woodworth, Brenda Levin, Patsy Wilson, Margie Ann Wilson, Betty Whitaker, Sandra Crang, Suzanne Whitaker, Mary Beth Winter, Carol Jenkins, Judy Cunningham, Sandra Weiner, Janice Kay Smith, Peggy Copson, Anne McKnight, Marcia Aquaviva, Judy Perry, Jean Byers, Edna Mae Smith, Karen Lindersmith, Judy Johnson, Marilyn Morensky, Marcia Meyers, Connie Gillfillan, Peggy Smith, Joan Audia, Lynne Caplan, Deanne Caplan.

From out-of-town: Paula Mumma, Betty Ann Reynolds, and Leah Schill, all of Silwood City; Anita Louise Mathis, of Appalachia, Va.; Betty Ann White, of White, and Dyanne Redding, all of Cleveland, O.; Barbara Montgomery and Mary Ellen Jacobson, both of Oakmont; Helen Kay Hayden and Peggy Shorff, both of Youngstown; Rita Zieve of Wampum; and Charlotte Sipe of New Wilmington.

WARN AGAINST FAKERS
State police at Butler today warned Western Pennsylvanians against any fake solicitors who are canvassing this district for contributions to the "Pennsylvania State Police pension fund." "We are not soliciting this year and any persons solicited should call the nearest State police substation," the announcement said.

PLAN WATER SYSTEMS TO LAST LONG TIME

Plenty of water is essential to productive farming and comfortable farm living. A farm water system that will increase production, save time, and labor and result in increased profits, calls for planning in terms of future needs as well as those of the present.

Present and future needs are the determining factors in selecting the system with sufficient pumping capacity. The minimum pumping capacity for the average farm is 350 gallons per hour. At that capacity and with average use the pump will operate one to one and a half hours a day.

Where the source of water is a well that stands at a depth of 22 feet or less below the pump level when the pump is in operation, a shallow-well pump may be installed to draw up water by suction. If the depth is greater than 22 feet, a deep-well pump must be used.

In figuring present and future needs, remember that a cow will drink about 30 gallons of water a day, 100 chickens need about 5½ gallons of water a day, and a pig will consume about 160 gallons of water to round out its weight. Water requirements in the home should be considered also. A septic tank completes the house system. A circular on homestead septic tanks is available at the Agricultural Extension Office, 206 Post Office Building, New Castle.

CLEAN OUT GRANARIES TO PROTECT NEW GRAIN

In protecting stored grain from insects, the first important practice is cleanliness. Clean out and remove all old grain from granaries before the new crop is brought in; clean floors and walls of bins and storage rooms.

Use 5 per cent DDT in oil to paint or spray on walls and floors of bins and storage rooms. Be sure

it soaks into the cracks and crevices. Do not inhale the spray more than necessary, or allow much of it to come in contact with the skin. Thoroughly wash exposed skin with soap and water after working with this type of DDT.

Where grain is stored in bags, be sure they are clean and free of insects.

Relatively high moisture content favors the spread of most stored-grain insects. Therefore, have the grain as dry as possible before it is stored.

Do not store bundles of grain in mows more than two months since this provides an excellent place for breeding of these insects. If stored grain becomes infested, fumigate at once.

For effective fumigation, bins and storage rooms must be airtight, or nearly so.

Further information on cleaning of the granary and bins may be secured from the Agricultural Extension Office, 206 Post Office Building, New Castle.

Sesqui Wants Some Horsing Around

"Hi, Yo, Silver—Away!" Do those words make your heart beat a little faster? Do they make your fingers itch to grab some good smelly old leather again? Do they make you think about blisters, and make you wonder how and if you'll walk the next day?

If they do, then you're just the person the Sesqui committee is looking for. No parade is a parade without horses, western riding equipment, and a few local would-be cowboys yelling yippee.

Horses, western riding equipment, and riders are needed to add that certain American touch to the festivities of the last day, Saturday, July 10.

So while you're getting out all those old clothes of Granny's and Grandpa's, just bring to light your riding togs that you probably haven't used for a year at least, slap a saddle on Ginger or Shuffles or Nitration or whatever you call your prize steed, and amble down to Sesqui headquarters.

One-sixth of all U. S. life insurance is being purchased on group plans with about 17,000,000 men and women participating.

State Police Make 4530 Arrests In Year

Thirty thousand, two hundred and twenty-six patrols, or separate trips in which a total of 1,569,322 miles were covered by members of Troop D, First Squadron, State police, with headquarters at Butler, were reported today. The patrols cover the year June 1, 1947 to May 31, 1948.

Other activities listed were: Criminal arrests, 1,279, of which 75 per cent was for assault and battery, 76 for gambling, 234 for burglary, 205 for disorderly conduct, 177 for larceny, 33 for stealing autos, 5 for murder, 18 for rape, 34 for robbery, 28 for surety of the peace, 10 for violation of the aeronautic laws and the remainder divided among various other charges.

During the year 1,888 auto accidents were investigated in which 78 were killed and 1,147 hurt. This was an increase of 427 accidents, an increase of 18 killed and 127

injured over the previous year. Four thousand, five hundred and thirty arrests were made for violation of the vehicle code.

City Buys New Street Roller

Also Opens Bids For Garbage Truck At Meeting On Thursday

OTHER NEWS OF COUNCIL SESSION

When council met in city hall Thursday, Streets Director James Gibson, made a motion by which the solons bought from the Atlas Equipment company a Buffalo Springfield roller at a bid of \$4,500. The roller will be delivered immediately, according to Director Gibson.

Council opened bids for a new garbage truck which were referred to committee for consideration. The bids ranged in price from \$4,298.40 to \$5,679, all of which provided for a Marlon hydropack refuse collector.

The firms which offered bids were: Frenzel Motor Truck company, Francis Motor Sales company, W. J. McCormick, J. R. Rick Motor company, Keystone Truck Equipment company and Chambers Motor company. Conn Welding and Manufacturing company submitted a bid for a body only, at a bid of \$1,330.55.

Council authorized the city legal department to file an answer to a mandamus proceeding brought in court by the Paid Firemen's beneficial association to compel the city to conform to a recent act of legislature, regarding pensions. Under the new law the city is supposed to contribute from taxes from one to three percent, not more. The city has been contributing several thousand dollars annually to the association's pension fund.

Solicitor Robert White maintained that the firemen themselves, unlike police, do not con-

tribute to the fund and claims the association has no by-laws. The city maintains they have no connection with the firemen's pensions, which the latter handle themselves.

Upon recommendation of the Mayor's Traffic committee, council elected Alfred Mascari, head of the Teamsters union to the body. Council failed to act, pending a study, on the committee's recommendation that parking meters be removed in East street between Sycamore Way and Falls street.

Washington Has 'On Wheels' Show

Big event of the week at George Washington playground was the "on wheels" show held at the playground Wednesday afternoon at 2 o'clock.

A crowd of about 150 gathered to watch the parade of vehicles and the judging of them. There were about 15 youngsters who participated.

Prizes were given for the three best entries, and leadership points were also awarded to various of the entrants.

First prize went to Dave Matthews who had his bicycle rigged up like a hobby horse and decorated in pink and black crepe paper.

Bob Marsh was awarded second prize for his bike, decked in pink and white, and bearing the sign "Just Married".

Third prize went to Wayne Patterson who rode a bike patriotically draped in red, white and blue paper.

Honorable mention went to Carol Scheelhof and Tod Alexander. Tod, dressed as a cowboy, had his bike arranged to look like a horse.

Judges for this show were Shirley Cook and Jo Ann Colazza.

The lake Memphremagog, in the Province of Quebec, and extending seven miles into Vermont, is 30 miles long by from two to five miles wide. It discharges its waters through the Magog river into the St. Francis. It is a favorite summer resort.

Sesqui Fireworks At Cascade Park

Three Hundred Aerial Salutes, 30 Set Pieces To Climax Monday And Thursday Nights

Contracts for the fireworks display for Sesqui week have been given to two local companies.

On Monday night the Fazzone Brothers Fireworks Manufacturing Company will be in charge of the display, and on Thursday night, the Atlantic Fireworks Corporation, both of New Castle, will present the display.

Each display will last approximately a half hour, and will take place at Cascade Park at 10:30 o'clock. About 350 aerial salutes and 30 set pieces will be discharged on the two nights, promising to be one of the most magnificent displays that New Castle citizens have seen for quite some time. These displays will take place on Monday, July 5, and on Thursday, July 8.

WASHINGTON CALLING

(Continued from Page Four)

this juncture they are certainly opposed to taking chances.

It all comes back to the skill of Dewey and his team. The stream of delegates who have passed through Dewey headquarters in the Bellevue Stratford is tribute to that skill. As one cynical delegate expressed it:

"Say, that crowd is good. Why they could put over practically anybody. They could put over Taft."

Years of careful spadework have led up to the success at Philadelphia. Alliances, pledges, comfortable trades, all these have been stacked out long ago with the same skill and concentration.

This is normal and regular. This is the game of politics which has some resemblance to that other great American game—poker. As I write, a miracle still could intervene. But in politics as in poker that is just what the Dewey boys have to play your cards and have been doing for a long time now.

THE WORLD AND THE MUD PUDDLES

(Continued from Page Four)

In record-breaking attendance at future showings of "The Iron Curtain" we miss our guess. The Red demonstrators in New York have done one of the best publicity jobs for the film producer that could have been conceived. They have only whetted the desire of normal Americans to see for themselves just what exposures of Sovietism are so unwelcome to the Reds as to justify the extreme measures invoked against them.

A conception of "free speech" which works only for "our side" is anything but American—but Communists, of course, are not Americans.

R.P. Church D.V.B.S. Makes Good Progress

At the Reformed Presbyterian church, Oak street, the daily vacation Bible school commenced on Monday, June 14, and closed at noon today. There has been an enrollment of 71.

The attendance throughout has been good, and it is believed that it has been a profitable time for the pupils. There has been an efficient corps of teachers in charge of the various departments—Mrs. Pearl Cover, Miss Anna Dodds, Mrs. E. A. Crooks, assisted by Shirley Smith, Norma Jones and Ruth Ann Snyder. Dr. E. A. Crooks, the pastor, is director.

A carefully prepared discussion has been given each day by Miss Dodds, regarding the effect of alcoholic drinks upon the human

body, mind and character of people who indulge in it, on which subject Miss Dodds is an authority.

Refreshments were served at the close of the session on Friday morning, to those participating in the vacation school.

Two features of the program that have been of much interest to the pupils is the singing and the recreation in the church gymnasium, the sliding board being one of the main attractions.

A sandbar jutting into Lake Pend Oreille gave Sandpoint, Id., its name.

Hill-Billy Show At Sesqui Midway

For you low brow classes of the "Dig me, Jackson" and "Red River Valley" types, the Sesqui Midway has just your special brand of entertainment.

Doc Williams and his Border

Riders are going to personally visit the Sesqui Midway, which will be on the City Parking Lot at the end of South Mercer street, on Thursday and Friday nights. Doc and the boys are going to present a two-hour hill-billy show on these nights, which will just about make the midway everything a midway should be.

Doc and his songsters are going

to put on the kind of rollicking, informal program all youngsters (old and young) go for. This is only one of the many features of the Sesqui Midway.

Wouldn't you be surprised if you knew what pretty stenographer in New Castle is going to wrestle with an alligator? So would the stenographer.

Camp East Brook Girls Are Enjoying First Camp Period

Group Of More Than 40 Enrolled From New Castle And Out-Of-Town Points

(Continued)
"Hi, Judy, I'm so glad you're back at camp this year," said Betsy Reynolds to Miss Perry.
"I'm hoping we have another wonderful camp this time," answered Betsy. "I've already seen 'Buzzy' Hurl and met 'Wink' Olson and Jo Martin, two new counselors."

"Nursie" McConnell has already had a casualty to deal with. Betsy White, from Cleveland, just gave up a fingernail practicing baton twirling.
"Queenie" McQueen and "Vicki" Gizzi have just finished painting the mail box.

One gleaming note the campers found on their arrival at camp was shiny new silver tableware, a gift from the Woman's club of New Castle.

On Wednesday the campers had a hilarious time learning to square dance under the direction of "Wink" Olson.

Girls At Camp
Girls enrolled at Camp Eastbrook for the first two weeks are: from New Castle, Susan Chapman, Becky Felt, Norma Jean Woodruff, Brenda Lavin, Patsy Wilson, Margie Ann Wilson, Betsy Whitaker, Sandra Cranell, Suzanne Whitaker, Mary Beth Weller, Carol Jenkins, Judy Cunningham, Sandra Werner, Janice Kay Smith, Peggy Copson, Anne Morgan, Marjorie Aquaviva, Judy Perry, Jean Byers, Edna Mae Smith, Karen Linder, Judy Johnson, Marilyn Moreau, Marcia Meyers, Connie Gillman, Peggy Smith, Joan Audia, Lynne Caplan, Deanne Caplan.

From out-of-town: Paula Mumma, Betsy Ann Reynolds, and Leah Schill, all of Ellwood City; Anita Louise White, of Apollo, Pa.; Betsy Ann White, Linda White, and Dyanne Redding, all of Cleveland, O.; Barbara Montgomery and Mary Ellen Jacobson, both of Okemunk, Helen Kay Haydon and Peggy Shoff, both of Youngstown; Rita Zieve of Wampum; Charlotte Sipe of New Wilmington.

WARN AGAINST FAKERS

State police at Butler today warned Western Pennsylvanians against any fake solicitors who are canvassing this district for contributions to the "Pennsylvania State Police pension fund." "We are not soliciting this year and any persons solicited should call the nearest State police substation," the announcement said.

PLAN WATER SYSTEMS TO LAST LONG TIME

Plenty of water is essential to productive farming and comfortable farm living. A farm water system that will increase production, save time, and labor and result in increased profits, calls for planning in terms of future needs as well as those of the present.

Present and future needs are the determining factors in selecting the system with sufficient pumping capacity. The minimum pumping capacity for the average farm is 350 gallons per hour. At that capacity and with average use the pump will operate one to one and a half hours a day.

Where the source of water is a well that stands at a depth of 22 feet or less below the pump level when the pump is in operation, a shallow-well pump may be installed to draw up water by suction. If the depth is greater than 22 feet, a deep-well pump must be used.

In figuring present and future needs, remember that a cow will drink about 30 gallons of water a day, 100 chickens need about 5 1/2 gallons of water a day, and a pig will consume about 150 gallons of water to round out its weight. Water requirements in the home should be considered also. A septic tank completes the house system. A circular on homemade septic tanks is available at the Agricultural Extension Office, 208 Post Office Building, New Castle.

CLEAN OUT GRANARIES TO PROTECT NEW GRAIN

In protecting stored grain from insects, the first important practice is cleanliness. Clean out and remove all old grain from granaries before the new crop is brought in; clean floors and walls of bins and storage rooms.

Use 5 per cent DDT in oil to paint or spray on walls and floors of bins and storage rooms. Be sure

it soaks into the cracks and crevices. Do not inhale the spray more than necessary, or allow much of it to come in contact with the skin. Thoroughly wash exposed skin with soap and water after working with this type of DDT. Where grain is stored in bags, be sure they are clean and free of insects.

Relatively high moisture content favors the spread of most stored-grain insects. Therefore, have the grain as dry as possible before it is stored.

Do not store bundles of grain in mows more than two months since this provides an excellent place for breeding of these insects. If stored grain becomes infested, fumigate at once. For effective fumigation, bins and storage rooms must be airtight or nearly so.

Further information on cleaning of the granary and bins may be secured from the Agricultural Extension Office, 208 Post Office Building, New Castle.

Sesqui Wants Some Horsing Around

"Hi, Yo, Silver—Away!" Do those words make your heart beat a little faster? Do they make your fingers itch to grab some good smelly old leather again? Do they make you think about blisters, and make you wonder how and if you'll walk the next day?

If they do, then you're just the person the Sesqui committee is looking for. No parade is a parade without horses, western riding equipment, and a few local would-be cowboys yelling yippee.

Horses, western riding equipment, and riders are needed to add that certain American touch to the festivities of the last day, Saturday, July 10.

So while you're getting out all those old clothes of Granny's and Grandpa's, just bring to light your riding legs that you probably haven't used for a year at least, slap a saddle on Ginger or Shuffles or Nitration or whatever you call your prize steed, and amble down in Sesqui headquarters.

One-sixth of all U. S. life insurance is being purchased on group plans with about 17,000,000 men and women participating.

State Police Make 4530 Arrests In Year

Thirty thousand, two hundred and twenty-six patrols, or separate trips in which a total of 1,569,322 miles were covered by members of Troop D, First Squadron, State police, with headquarters at Butler, were reported today. The patrols cover the year June 1, 1947 to May 31, 1948.

Other activities listed were: Criminal arrests, 1,279, of which 75 per cent was for assault and battery, 76 for gambling, 234 for burglary, 205 for disorderly conduct, 177 for larceny, 33 for stealing autos, 5 for murder, 18 for rape, 34 for robbery, 28 for surety of the peace, 19 for violation of the aeronautic laws and the remainder divided among various other charges.

During the year 1,888 auto accidents were investigated in which 78 were killed and 1,147 hurt. This was an increase of 427 accidents, an increase of 18 killed and 127

injured over the previous year. Four thousand, five hundred and thirty arrests were made for violation of the vehicle code.

Williams Named Head Of Council

NEW WILMINGTON, June 23.—John T. Williams, son of Mr. and Mrs. John L. Williams, 107 Smithfield street, was recently elected president of the Interfraternity Council at Westminster college for the year 1948-49. John, a business administration major, is also commander of the Sigma Nu fraternity.

Pete Moran, son of Mrs. Anna Moran, R. D. 8, president of the Alpha Sigma Phi fraternity, was elected secretary-treasurer of the Interfraternity Council.

Alphonso Taft, father of William Howard Taft and grandfather of Senator and Presidential Candidate Robert Taft, was secretary of war and later attorney general in President Grant's cabinet.

Volant Lions To Have Fourth Of July Celebration

Day-Long Program Of Entertainment Is Arranged For Monday, July 5, At Volant

Volant Lions club is sponsoring a day-long Fourth of July program, which will take place on Monday, July 5, for the enjoyment of the residents of the Volant community, at the Volant ball park, it was announced today.

There will be two baseball games during the afternoon, the first with the Farrell Grays starting at 1:30 o'clock. After this game, there will be a varied program of entertainment, followed by another baseball game in which Volant will oppose the strong St. Mary's team. This will be a North County league contest.

After the second game, there will be music and additional entertainment. There will be refreshment stands set up on the grounds, and also tables for those who wish to bring picnic baskets. The program will end with a fireworks display at 10:30 o'clock.

Wm. Bingham Kay Taken By Death

MALVERN, Pa., June 25.—(INS)—Funeral services were being arranged today for William Bingham Kay, 75, former chief of the bureau of corporations in the state auditor general's department.

Kay, former managing editor of the McKeesport, Pa., Daily News, and one-time staff member of the New Castle, Pa., News, died Wednesday at his home (455 Monument Ave.) in Malvern.

Kay was survived by his wife, Mrs. Blanche E. Kay, of New Castle; a son, W. Lowrie Kay, former Philadelphia newsman now living in Chicago, and a brother, Fred H. Kay, of Gulfport, Fla.

In recent years, Kay had been tax consultant for Lybrand Ross Bros. & Montgomery, accountants in the Packard building, Philadelphia.

He was a member of the St. Andrew society and a Mason. Services will be private.

Darlington Church 150 Years Old

DARLINGTON, June 25.—Dedication of a new electric organ this evening will mark the opening of the 150th anniversary celebration

of the Darlington U. P. church of which Rev. J. W. Hanson is the pastor.

Saturday is to be observed as homecoming day with a picnic planned and special music to be presented. On Sunday, Dr. William F. Rotler of Pittsburgh will speak to the congregation. The church was organized in 1798 by the Presbytery of Pennsylvania and was first known as the Brush Run church.

Hanley To Become New York Governor If Dewey's President

ALBANY, N. Y., June 25.—(INS)—Lieut. Gov. Joe R. Hanley, one of the strongest Republican vote-getters in New York state, auto-

matically will succeed Governor Thomas E. Dewey if the latter wins the presidency in November.

Hanley, 72, left the pulpit for politics 22 years ago, and served successively as assemblyman, state senator and majority leader before attaining his present post in 1943.

If he succeeds Dewey in the governorship he will serve until Dec. 31, 1950, when Dewey's elective term as governor expires.

Pennant Races Tighten In Both Loops

Yankees Blank Indians, Cardinals Slam Braves

By LES CONKLIN
(International News Service Sports Writer)
NEW YORK, June 25.—(INS)—The pennant races in both major loops tightened today as a result of defeats suffered by the Boston Braves and Cleveland Indians, leaders in their respective leagues.

A familiar feature of both setbacks was that an ace pitcher was found wanting in the clutch. Almost every good pitcher in the big show, no matter how impressive his record, has blown up with out warning on occasion this season.

Such was the case last night with Johnny Sain, who had won five straight games for the Braves. The Cards jumped on him for four runs in the first inning and went on to an 11 to 2 win. The second-place Red Birds now trail the Bostonians by only half a game.

Paradoxically, Howie Pollet, St. Louis southpaw who has not been as steady as usual this year, had one of his good nights and went the route for the winners. Red Schoendienst led the St. Louis attack with a homer, a double and two singles.

Cleveland's great Bob Feller pitched fairly well holding the New York Yankees to five hits, but unfortunately three of them were homers—by Joe DiMaggio, George McQuinn and Johnny Lindell.

Raschi In Form
New York's Vic Raschi blanked the Indians with six hits, 4 to 0, and the Yanks advanced to within a game and a half of the league leading Tribe.

A four-run rally in the eighth inning gave the third-place Philadelphia Athletics a 6 to 5 win over the St. Louis Browns under the arc lights. The A's are only two games out of first place.

Chicago's White Sox snapped the winning streak of the Boston Red Sox, 3 to 1, behind the six-hit pitcher of Willie Wright, but two homers by Ted Williams staked the Bostonians to an 8 to 5 victory in the second game of a twin bill.

Williams is in third place in the American League home run derby with 15 circuit clouts, behind J. DiMaggio and Cleveland's Ken Keltner, who have 17 each.

A grand-slam homer by Jackie Robinson in the ninth inning gave Brooklyn a 6 to 2 decision over Pittsburgh, and the Dodgers also won the second game, an eight-inning affair, 8 to 6.

Larry Jansen of the New York Giants beat the Chicago Cubs 3 to 2 for his eighth win, despite a two-run pinch homer by Clarence Madden in the ninth inning. The Cubs routed the New Yorkers in the nightcap, 11 to 2.

Other teams were idle.

Jupe Pluvius Again KO's Jersey Joe, Bomber

By LAWTON CARVER
(International News Service Sports Editor)

NEW YORK, June 25.—The weather man in his mid-morning forecast today gave hope that the Joe Louis-Joe Walcott heavy-weight fight could be held tonight. The forecast was for light showers late this afternoon but promised a clear night for the twice-postponed battle.

The encore between the two Negro bruisers almost went on last night, which was a lot closer than the approach of Wednesday when it was called off in mid-afternoon. But while early arrivals sweated and steamed in the mugginess that accompanied a persistent and heavy rain, the loud-speaker brought the inevitable tidings. It was off again, and the scramble was on for transportation back down town.

The postponement came at about the time the first preliminary should have been staged, at the risk of drowning the field was flooded and the ring canvas glistened like a square little lake under the bright lights.

The fighters accepted the news with expected disappointment, but said virtually nothing while their respective stables of handlers chattered and railed at the elements.

4,500 On Hand
Promoter Mike Jacobs said today that approximately 4,500 people of an expected crowd of 55,000 showed up last night before the deluge washed out the festivities.

Jacobs, who has had remarkably good luck with outdoor promotions until now, also issued instructions as to how persons leaving town could redeem their tickets. He steadfastly stuck to the prediction that the show will gross about \$850,000.

By this time, however, that could be strictly a wild guess. Postponements some time help, but often hurt such spectacles.

It also can hurt the principals. By this time either or both may be affected by the delay, and certainly the least imaginative of the two, and the more confident, is beginning to get an edge on his rival, unless physical retrogression has set in.

That's guessing, too. They are 34-year-old veterans who by this time can't be too much affected by the caprice of the weather. Louis remained the favorite at odds of 12 to 5.

Louis, who returned to his Pompton Lakes, N. J., training camp after Wednesday's postponement, came to New York yesterday afternoon, and went right back to Pompton Lakes last night.

He will come in late today and try again to go through with his 25th title defense against the man who almost upset him last December 5. Walcott remained in the midtown Manhattan hotel where he took up quarters after Wednesday's weigh-in and is prepared to remain there until he and the champion finally have out-lasted the freshets.

Baptists Continue Church Golf Lead
First Baptists Headed For First Half Title, Ivy Solomon And Ted Lach Medalists

It looks as if the First Baptist team has the first half championship in the New Castle church golf league all sewed up for delivery next week if the boys run true to form. The leaders have a three-point edge on the runnersup, the First U. P., quite a handicap to overcome.

The league enjoyed a fine round at the beautiful Castle Hills course last night, with a fine turnout. Interest in the league is mounting each week.

Solomon-Lach Medalists
Low cards turned in were—Front nine: Fred Scheppelle 39, Bob Mackie 42, Jim Lamoree 42, Al Ellis 43. Back nine: Ivy Solomon 37, Ted Lach 37, Tom Baum 40, Ted Woodrow 42, Roy Mumford 43, Bob Hay 4, McCleary 43 and Smith 45.

Results last night were: Temple 11½, Christians 7½, St. Paul's 7½, First Presbyterians 4½, First Baptists 7, First Methodists 4; First U. P. 8, Epworth 4.

Standing of teams: First Baptists 46½, Temple 43½, First Presbyterians 40½, Temple Israel 29, First Christians 37½, St. Paul's 35½, First Methodists 21½, Epworth 21. The play next week will end the first half of the league season.

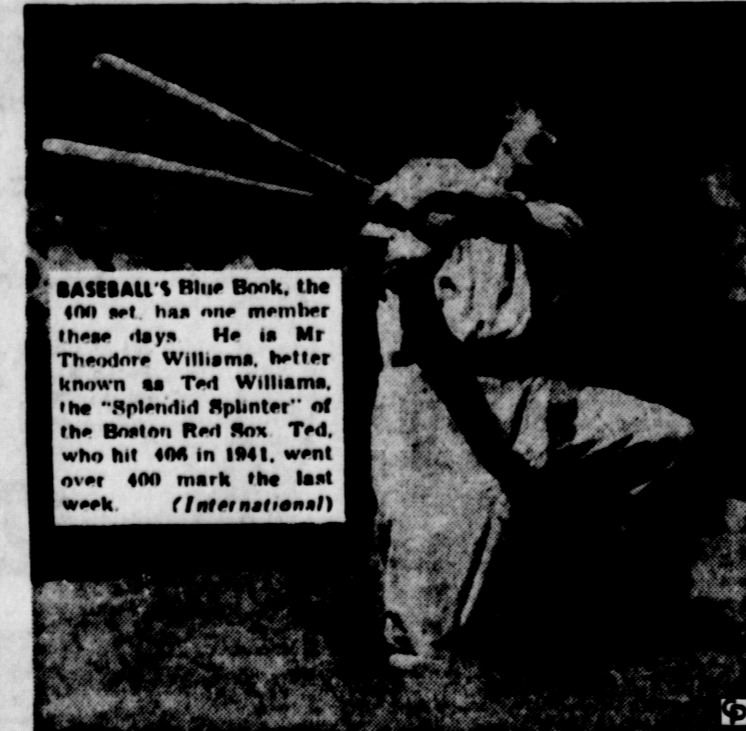

Eagles Committees To Meet Tonight
At 8 o'clock tonight the sports and entertainment committees of the Eagles Club will have an important meeting at the club, to lay plans for coming events. All members of the two committees are urged to be present.

Rocco P. Viggiano heads the sports committee, and Charles Rafferty the entertainment committee, as chairmen.

WASHINGTON JUNIORS WIN
The George Washington Juniors won a softball game from the West Side Juniors yesterday at the Washington High playgrounds, 24 to 4, with Gillman, Andrews and McClain hammering out homers. It was reported by Fred Wimer, playground director.

CENTRAL PRESBYTERIANS
The Central Presbyterians defeated the Third U. P. last night in a church softball game at Rose avenue field, 10 to 9 with McCormick being the winning hurler and Meyers the loser. Gill featured the hitting with two homers.

Chiefs Waste 13 Hits, Lose To Sailors, 11-2

ERIE, June 25.—New Castle's

Chiefs made 13 hits here last night off Dino Cingolani, but could produce but two tallies, both on a terrific home run drive to right field by the new Chief's manager, Carl Miller, with Jimmy Muldoon on base in the third inning. Erie won, 11 to 2.

It was the eighth straight defeat administered the Chiefs by the Sailors this year. The two teams will end the current series tonight with a single game. Hugh Grimshaw has been nominated by Manager Miller as his starting hurler, and Bobby Hansen will go for Erie.

Too Many Errors
It was a case of too many New Castle errors again last night, seven bobbles causing Roger Vaillancourt and Felix Buchioni plenty of trouble. The Chiefs were potent enough at the plate getting 13 hits, but failing to hit with men on base, on three occasions the Chiefs filled the sacks, once with none down, but fast fielding and four double plays by the Tara prevented runs.

Erie had two big innings, the fifth, chasing Vaillancourt with a single game. Hugh Grimshaw in the eighth getting to "Bucky" for four runs. Shipman and Morganthaler led the Erie's at bat with three hits apiece. Only six of the Erie runs were earned.

Meet Colts Saturday
The New Castle team will return home Saturday meeting their neighboring rivals, the Youngstown Colts, at Flaherty Field at 8 o'clock. In the Youngstown lineup will be their Negro star, Josh Gibson Jr.

LOCKLEYS DISLODGE GUS TEAM IN RACE
Lockleys knocked the Gus team out of first place last night, winning via the shutout route, 3-0. Bender had the big blow of the evening, a triple with one man aboard.

Hoch twirled tight ball, allowing but one man to reach third. Gene Gurgio did the Gus hurling.

FIRST BAPTIST WINS
The First Baptist defeated the Moravia Presbyterians in a church softball game last night at Colonial field, 4 to 3 with Weller the winning hurler and Tindall the loser.

HERE AND THERE IN SPORTS' LAND

LOCAL anglers are having a fine time fishing in Lake Erie, for bass and pike, the season for bass having come in some time ago. A group of Pennsylvania Engineering company workers who fished there consisted of William Jenkins, Jr., Paul Campbell, James Speed, Raymond Baldwin, Oliver Smith, Lester Brumbaugh, Charles Kelly, James Lavender, Charles Defonso, Walter Shuler, Charles Fazzone, John Ross, Jr., James DiMuccio, Michael Palisin, Patsy Sheldone, Mr. Stoops, George Palisin, George Hicks, Mickey McClymonds, Charles Book, Phillip Evans, Henry Plonko and Stanley Kozela. Clyde Burkholder, Frank Bower, James Bower, William Tebay and Jack Patton made up another party of Erie lake fishermen. The Lions club of Volant apparently appreciate the Shenango Valley Beetle club, having arranged to entertain them Monday, July 5. There'll be two baseball games, one in the afternoon, the other in the evening, refreshments and fireworks at 10:30 p. m. President Len Gilbert of the City Baseball league has received word that the City circuit has been accepted by the National Amateur Baseball Federation, according to a letter from Frank (Dolk) Novario, secretary. President Gilbert and Secretary Walter Hannon will attend the federation meeting in Cleveland, July 14. As far as known at the present time, the winner of the City league, will play at Youngstown against various Ohio teams.

(Nineteenth in a series spotlighting former Olympic champions and their deeds)... Shooting for the first Olympic triple since Nurmi won three events at Paris in 1924, Jesse Owens, the Buckeye Bullet, came zinging away first in the 200-meter run in the 1936 Olympics in Berlin. The Cleveland Negro accelerated around the turn and into the stretch in front but closely pursued by Mack Robinson of Pasadena, Calif., and Martinus Osendarp of Holland. But Owens, one of the great stars of track and field history, was too good for them and he stayed on top, breaking the tape two strides in front of Robinson to win his third Olympic crown in three days and shatter both the Olympic 200-meter record and the world record for 200 meters around a curve. Osendarp, who finished third to Owens in the 100-meter run, was third with Paul Haenni of Switzerland fourth, Lee Orr of Canada fifth and W. Van Beveran of Holland sixth. Owens' victory was the seventh for the U. S. and his time cracked Eddie Tolan's record set four years earlier. Tolan won his race in the 1932 event by two yards over George Simpson with Ralph Metcalfe third, according to Walter Johns, Central Press sports editor.

West Pittsburgh, Franks Win Tilts Bisques Champions Of Pottery Golfers As First-Half Ends

West Pittsburgh stopped the Lawrence Indians last night, 5-4, and Franks' Grille edged the Civics 3-1 in City League competition.

J. Nerti of the Pittsburghers singled home the tying and winning runs in the seventh to sink the Indians. Lazar was the mound victor, with Michajko chalked with the setback. A Markey pounded the ball hard for the winners with four singles.

With two outs in the seventh and the Civics ahead, 1-0, singles by J. Rote, Grievie and Coulter, and a free ticket to Hughes brought home the tying run and then the Franks went on to win in the eighth.

Hughes emerged the winning pitcher with "Hard-Luck" Hike the loser.

Three U. S. Stars Carry Hopes Today In British Tennis

Parker, Mulloy And Brown Big Guns Of American Team In Wimbledon Singles

WIMBLEDON, Eng., June 25.—(INS)—Three stalwart racquet wielders carry American hopes today into the fourth round of the Wimbledon men's singles tennis championship.

Frankie Parker of Los Angeles meets Lennart Bergelin of Sweden in the famed center court feature match.

Gardner Mulloy of Miami is pitted against Australia's Jack Harper on court one, while Tom Brown, San Francisco ace, meets Dilip K. Bose of India in another encounter.

These are the only men's singles matches scheduled today.

In the women's singles, Miss Shirley Fry of Akron, O., plays Mrs. E. E. Hilton of Britain in the third round on the center court.

Another third round match pits Mrs. Margaret Osborne DuPont of Wilmington, Del., against Holland's Mrs. G. Blaisdell. Miss Barbara Scofield of San Francisco tangles with Joan Curry of Britain in another leading match.

Mulloy, yesterday, was forced to five sets by Sumant Misra, India, before winning 2-6, 6-4, 6-1, 3-6, 6-4.

Bob Falkenburg of Hollywood, Calif., beat Drago Mitic, Yugoslavia, 5-7, 6-3, 4-6, 6-3, 6-4.

Parker was at his best in vanquishing Cyril Kemp, Eire, 6-0, 6-1, 6-0.

Brown took care of Borger Fornstedt, Sweden, 6-4, 3-6, 6-3, 6-2.

American Champion Louise Brough of Beverly Hills entered the fourth round yesterday by defeating Mrs. Mary Arnold Prentiss of Los Angeles, 6-1, 4-6, 6-1.

Miss Hart beat fellow American Mrs. Helen Pedersen Rihbany of Boston, 6-0, 6-1.

Mrs. Owen Anderson of Los Angeles, a former British star, lost to Mrs. Antoinette Weivers of France 8-10, 14-12, 6-4.

Chiefs And Colts Play Here Saturday

The New Castle Chiefs are planning a little revenge on the Youngstown Colts when the two teams battle at P. J. Flaherty Memorial field Saturday night at 8 o'clock. The Chiefs have downed the Colts but once in six meetings. Ed Wallace is slated to pitch for New Castle.

Manager Carl Miller of Allentown, Pa., will be making his debut at Flaherty field as the leader of the Chiefs; he will get a warm welcome from the fans. Miller made an auspicious start at Erie last night by crashing a long homer to drive in the only two runs the Chiefs could muster. It was his tenth homer of the season, nine with Charlotte in the Tri-State league.

Several new faces will be with the Chiefs here Saturday night. It has been promised by General Manager Mike Cannavino, among them will be Ty Corbett, the all-around ball player from Annapolis.

HAEFNER-KEISER LEAD

TOLEDO, O., June 25.—(INS)—Clayton Haefner and Herman Keiser today led the field into the second round of the \$10,500 Inverness invitational best ball golf tournament at Toledo.

The Haefner-Keiser combination took the lead yesterday by defeating Lloyd Mangrum and Dick Metz, five-up.

Ben Hogan and Jimmy Demaret, defending champions and pre-tournament favorites, were in second place with a plus three over Cary Midcoff and Jim Ferrier.

Bobby Locke and Ed Fudgol, and Dutch Harrison and Bob Harrison were tied for third place with plus two's.

Charles (Bud) Wilkinson, former big 10 football star and now varsity grid coach at the University of Oklahoma, will teach a football coaching course at the Springfield College summer session.

Gustine Leading 'Hot Corner' Poll

CHICAGO, June 25.—(INS)—Two new leaders turned up today in the all-star balloting for positions on the 15th annual inter-league team.

Frank Gustine of the Pittsburgh Pirates pushed into first place in voting for National League third basemen with Andy Pafko of the Chicago Cubs taking second place. Bob Elliott, former third base lead-

er from Boston, slipped down to third place.

A switch in catchers in the American League placed Birdie Tebbetts of the Boston Red Sox ahead of Buddy Rosar of the Philadelphia Athletics. Tebbetts has 149,063 votes to Rosar's 143,505.

Ted Williams is still in front among the individual vote-getters with 178,114 tallies. Joe DiMaggio, New York Yankee centerfielder, is second with 176,944 and Lou Boudreau, Cleveland shortstop-manager, is third with 174,512 votes.

Pirates Sign Coast Phenom

PITTSBURGH, June 25.—(INS)—The Pittsburgh Pirates today announced the signing of Fred Strobel, one of the outstanding high school pitchers on the Pacific Coast.

Strobel, a graduate of Long Beach, Cal., high school, allowed only one run in the five games he pitched for the school last season. A right-hander, he has been sent to the Pirate farm club at Waco, Tex.

Center Church Has D.V.B.S. Program

Pupils of the Daily Vacation Bible school of Center U. P. church presented a program of their activities June 20, at the church. Total enrollment of the school was 76 students with an average attendance of 62. Those who had perfect attendance numbered 57.

Mrs. Margaret Frew served as director of the project with Mrs. Emily Kalajainen and Rev. W. F. Holmes acting as assistants. The teachers follow: beginners, Nancy and Leslie Kalajainen; primary, Mrs. Eva Hogue, Barbara Kaufman, Mrs. M. Myers and Hazel Gibson and junior, Mrs. Charles Solsberg, John Zook and Gloria Solsberg.

Mrs. Nettie Hartzel and Mrs. Gertrude Hogue taught in the intermediate department. Nancy Zdunlak and Margaret Frances Cierks also served as teachers in the school.

HARVARD CREW FAVORED NEW LONDON, Conn., June 25.—(INS)—Harvard's crack crew is a strong favorite to defeat Yale today in their clash on the Thames river.

The historic rivalry—this is the eighty-third meeting between the two arch enemies—is the only crew test at four miles offered in North America this year.

Further light on the Olympic outlook will be shed in the regular

tryouts beginning next Wednesday on Lake Carnegie at Princeton, N. J., but today's event will wind up the exclusively collegiate eight-oared season.

LOCAL SCHOOL HEADS ATTEND CONFERENCE

Miss Nannie Mitchell, principal of George Washington Junior high school, Gerald Nord, principal of Ben Franklin Junior high school, and J. H. Earl McKenzie, representative of New Castle Senior high school, have returned from a two-day conference at Slippery Rock State Teachers college.

At this conference, the problems of secondary schools were discussed by various education leaders.

BEER FOR BEER

FRANKFURT.—The Bi-partite Control Group recently approved a measure for the Bizonal area of Germany which allows Germany to swap the family bread coupons for beer. Whether or not the lady of the house is going to allow the man of the house to swap bread coupons for beer is not known. Brewers associations stoutly maintain there are as many calories in good beer as may be found in bread.

MEMPHIS, Tenn.—Norman Moore, police investigator, asked a key question of a suspected thief and got a confession. "Why didn't you steal a ham or bacon or something to eat?" Moore asked. "Why steal soap?" "But that was a drug store," the suspect said.

Volant Lions To Have Fourth Of July Celebration

Day-Long Program Of Entertainment Is Arranged For Monday, July 5, At Volant

Volant Lions club is sponsoring a day-long Fourth of July program, which will take place on Monday, July 5, for the enjoyment of the residents of the Volant community, at the Volant ball park, it was announced today.

There will be two baseball games during the afternoon, the first with the Farrell Grays starting at 1:30 o'clock. After this game, there will be a varied program of entertainment, followed by another baseball game in which Volant will oppose the strong St. Mary's team. This will be a North County league contest.

After the second game, there will be music and additional entertainment. There will be refreshment stands set up on the grounds, and also tables for those who wish to bring picnic baskets.

The program will end with a fireworks display at 10:30 o'clock.

Wm. Bingham Kay Taken By Death

MALVERN, Pa., June 25.—(INS)—Funeral services were being arranged today for William Bingham Kay, 75, former chief of the bureau of corporations in the state auditor general's department.

Kay, former managing editor of the McKeesport, Pa., Daily News, and one-time staff member of the New Castle, Pa., News, died Wednesday at his home (455 Monument Ave.) in Malvern.

Kay was survived by his wife, Mrs. Blanche E. Kay, of New Castle; a son, W. Lowrie Kay, former Philadelphia newspaperman now living in Chicago; and a brother, Fred H. Kay, of Gulfport, Fla.

In recent years, Kay had been tax consultant for Lybrand, Ross Bros. & Montgomery, accountants in the Packard building, Philadelphia.

He was a member of the St. Andrew society and a Mason. Services will be private.

Sesqui Display Of Old Photos Ready

Arrangements for the display of old photographs in connection with the Sesquicentennial celebration have been completed. These old photos of early local landmarks and personages will be displayed in the windows of the Butz Brothers store on North Mercer street.

Photos may be brought to the store on Monday or Tuesday, June 28 or 29, to be arranged for display.

Special Meeting On Croton Honor Roll

Members of the Croton honor roll committee will have a special meeting in the Croton avenue school building at eight o'clock this evening.

Plans for putting up permanent names will be discussed at this meeting, along with other pertinent business.

SUFFERS GUNSHOT WOUND OF FOOT

James Rhodes, aged 28 years, of 195 Harbor street, suffered a gunshot wound of the right foot when a pistol he was cleaning was discharged early Thursday morning. The bullet went through his foot between the second and third toes. He was admitted to the Jameson Memorial hospital for treatment following the accident.

EDENBURG

Mr. and Mrs. Paul Roberts attended the wedding of their niece, Miss Donna Jean Lutz, and James Long in the First U. P. church in New Castle on Friday evening.

Mr. and Mrs. Paul Roberts attended the wedding of their nephew, Donald Lutz and Shirley McNicholas in the First Baptist church, New Castle, on Saturday evening.

Mrs. J. E. Morrow is some better after a fall down stairs at her home on Saturday evening.

MAN CUTS FOOT

Walter Lyon, aged 18 years, of West Moody avenue, was treated at the Jameson Memorial hospital Wednesday afternoon for a severe laceration of the left foot, received when an axe he was using to cut down a tree slipped. He is employed by the Davey Tree Expert Co.

Tennessee was called, from 1784 to 1788, the state of Franklin, or "Frankland." "Tennessee" was the Indian name for the chief town of the Cherokee, which was on the Little Tennessee river.

Darlington Church 150 Years Old

DARLINGTON, June 25.—Dedication of a new electric organ this evening will mark the opening of the 150th anniversary celebration

of the Darlington U. P. church of which Rev. J. W. Hanson is the pastor.

Saturday is to be observed as homecoming day with a picnic planned and special music to be presented. On Sunday, Dr. William F. Rottler of Pittsburgh will speak to the congregation. The church was organized in 1798 by the Presbytery of Pennsylvania and was first known as the Brush Run church.

Hanley To Become New York Governor If Dewey's President

ALBANY, N. Y., June 25.—(INS)—Lieut. Gov. Joe R. Hanley, one of the strongest Republican vote-getters in New York state, automatically will succeed Governor Thomas E. Dewey if the latter wins the presidency in November.

Hanley, 72, left the pulpit for politics 22 years ago, and served successfully as assemblyman, state senator and majority leader before attaining his present post in 1943.

If he succeeds Dewey in the governorship he will serve until Dec. 31, 1950, when Dewey's elective term as governor expires.

Pennant Races Tighten In Both Loops

Yankees Blank Indians, Cardinals Slam Braves

By LES CONKLIN
(International News Service Staff Writer)
NEW YORK, June 25.—(INS)—The pennant races in both major loops tightened today as a result of defeats suffered by the Boston Braves and Cleveland Indians, leaders in their respective leagues.

A familiar feature of both setbacks was that an ace pitcher was found wanting in the clutch.

Almost every good pitcher in the big show, no matter how impressive his record, has blown up with out warning on occasion this season.

Such was the case last night with Johnny Sain, who had won five straight games for the Braves. The Cards jumped on him for four runs in the first inning and went on to an 11 to 2 win. The second-place Red Birds now trail the Bostonians by only half a game.

Paradoxically, Howie Pollet, St. Louis southpaw who has not been as steady as usual this year, had one of his good nights and went the route for the winners. Red Schoendienst led the St. Louis attack with a homer, a double and two singles.

Cleveland's great Bob Feller pitched fairly well holding the New York Yankees to five hits, but unfortunately three of them were homers—by Joe DiMaggio, George McQuinn and Johnny Lindell.

Raschi In Form
New York's Vic Raschi blanked the Indians with six hits, 4 to 0, and the Yanks advanced to within a game and a half of the league-leading Tribe.

A four-run rally in the eighth inning gave the third-place Philadelphia Athletics a 6 to 5 win over the St. Louis Browns under the arc lights. The A's are only two games out of first place.

Chicago's White Sox snapped the winning streak of the Boston Red Sox, 3 to 1, behind the six-hit pitcher of Willie Wright, but two homers by Ted Williams staked the Bostonians to an 8 to 5 victory in the second game of a twin bill.

Williams is in third place in the American League home run derby with 15 circuit clouts, behind J. DiMaggio and Cleveland's Ken Keltner, who have 17 each.

A grand-slam homer by Jackie Robinson in the ninth inning gave Brooklyn a 6 to 2 decision over Pittsburgh, and the Dodgers also won the second game, an eight-inning affair, 8 to 6.

Larry Jansen of the New York Giants beat the Chicago Cubs 3 to 2 for his eighth win, despite a two-run pinch-homer by Clarence Madden in the ninth inning. The Cubs routed the New Yorkers in the nightcap, 11 to 2.

Other teams were idle.

Jupe Pluvius Again KO's Jersey Joe, Bomber

By LAWTON CARVER
(International News Service Staff Writer)

NEW YORK, June 25.—(INS)—The weather man in his mid-morning forecast today gave hope that the Joe Louis-Jupe Walcott heavy-weight fight could be held tonight.

The forecast was for light showers late this afternoon but promised a clear night for the twice-postponed battle.

The encore between the two Negro bruisers almost went on last night, which was a lot closer than the approach of Wednesday when it was called off in mid-afternoon. But while early arrivals sweated and steamed in the mugginess that accompanied a persistent and heavy rain, the loud-speaker brought the inevitable tidings. It was off again, and the scramble was on for transportation back down town.

The postponement came at about the time the first preliminary should have been staged, at the risk of drowning the fight in a flood of rain. The ring canvas glimmered like a square little lake under the bright lights.

The fighters accepted the news with expected disappointment, but said virtually nothing while their respective stables of handlers chattered and railed at the elements.

4,500 On Hand
Promoter Mike Jacobs said today that approximately 4,500 people of an expected crowd of 55,000 showed up last night before the deluge washed out the festivities.

Jacobs, who has had remarkably good luck with outdoor promotions until now, also issued instructions as to how persons leaving town could redeem their tickets. He steadfastly stuck to the prediction that the show will gross about \$850,000.

By this time, however, that could be strictly a wild guess. Postponements some time help, but often hurt such spectacles.

It also can hurt the principals. By this time either or both may be affected by the delay, and certainly the least imaginative of the two, and the more confident, is beginning to get an edge on his rival, unless physical retrogression has set in.

That's guessing, too. They are 34-year-old veterans who by this time can't be too much affected by the caprice of the weather. Louis remained the favorite at odds of 12 to 5.

Louis, who returned to his Pompton Lakes, N. J., training camp after Wednesday's postponement, came to New York yesterday afternoon, and went right back to Pompton Lakes last night.

He will come in late today and try again to go through with his 25th title defense against the man who almost upset him last December. Walcott remained in the city, took up quarters at Wednesday's weigh-in and is prepared to remain there until he and the champion finally have out-lasted the freshets.

Baptists Continue Church Golf Lead

First Baptists Headed For First Half Title, Izzy Solomon And Ted Lach Medalists

It looks as if the First Baptist team has the first half championship in the New Castle church golf league all sewed up for delivery next week if the boys run true to form. The leaders have a three-point edge on the runners-up, the First U. P., quite a handicap to overcome.

The league enjoyed a fine round at the beautiful Castle Hills course last night, with a fine turnout. Interest in the league is mounting each week.

Solomon-Lach Medalists
Low cards turned in were: Front nine: Fred Schuppette 39, Bob Mackle 42, Jim Lamoree 42, Al Ellis 43. Back nine: Izzy Solomon 37, Ted Lach 37, Tom Baum 43, Ted Woodrow 42, Roy Mumford 43, Bob Hay 4, McCleary 43 and Smith 45.

Results last night were: Temple 11½, Christians 7½, St. Paul's 7½, First Presbyterians 4½, First Baptist 7, First Methodists 4, First U. P. 8, Epworth 4.

Standing of teams: First Baptists 48, First U. P. 43, First Presbyterians 40½, Temple Israel 29, First Christians 37½, St. Paul's 35½, First Methodists 21½, Epworth 21. The play next week will end the first half of the league season.

Eagles Committees To Meet Tonight

At 8 o'clock tonight the sports and entertainment committees of the Eagles Club will have an important meeting at the club, to lay plans for coming events. All members of the two committees are urged to be present.

Rocco P. Vigniano heads the sports committee, and Charles Raftery the entertainment committee, as chairman.

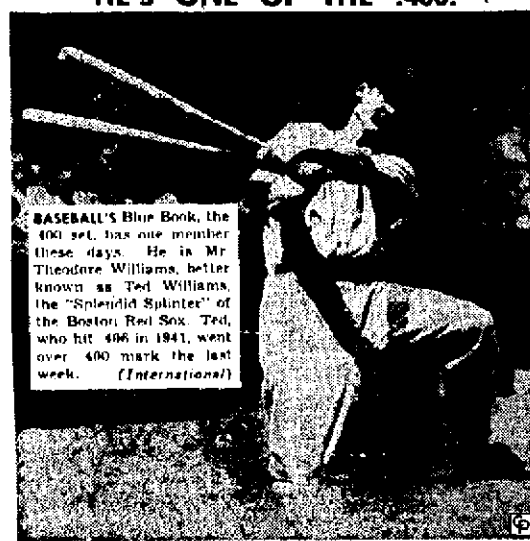

WASHINGTON JUNIORS WIN

The George Washington Juniors won a softball game from the West Side Juniors yesterday at the Washington High playgrounds, 24 to 4, with Gillman, Andrews and McClain hammering out homers. It was reported by Fred Wimer, playground director.

CENTRAL PRESBYTERIANS

The Central Presbyterians defeated the Third U. P. last night in a church softball game at Roca avenue field, 10 to 9 with McCormick being the winning hurler and Meyers the loser. Gill featured the hitting with two homers.

HE'S ONE OF THE .400!

Chiefs Waste 13 Hits, Lose To Sailors, 11-2

ERIE, June 25.—New Castle's Chiefs made 13 hits here last night off Dino Cingolani, but could produce but two tallies, both on a terrific home run drive to right field by the new Chief's manager, Carl Miller, with Jimmy Muldon on base in the third inning. Erie won, 11 to 2.

It was the eighth straight defeat administered the Chiefs by the Sailors this year. The two teams will end the current series tonight with a single game. Hugh Gdimshaw has been nominated by Manager Miller as his starting hurler, and Bobby Hansen will go for Erie.

Too Many Errors
It was a case of too many New Castle errors again last night, seven bobbles causing Roger Vallancourt and Felix Buchholtz plenty of trouble. The Chiefs were potent enough at the plate getting 13 hits, but failing to hit with men on base, on three occasions the Chiefs filled the sacks, once with none down, but fast fielding and four double plays by the Tars prevented runs.

Erie had two big innings, the fifth, chasing Vallancourt with a heavy barrage of socks, and again in the eighth getting to "Mackey" for four runs. Shipman and Morganhaler led the Erie bats with three hits apiece. Only six of the Erie runs were earned.

Meet Colle Saturday
The New Castle team will return home Saturday meeting their neighboring rivals, the Youngstown Colts, at Flaherty Field at 8 o'clock. In the Youngstown lineup will be their Negro star, Josh Gibson Jr.

LOCKLEYS DISLODGE GUS TEAM IN RACE

Lockleys knocked the Gus team out of first place last night, winning via the slant route, 3-0. Bender had the big blow of the evening, a triple with one man aboard.

First Baptist Wins
The First Baptist defeated the Moravia Presbyterians in a church softball game last night at Colonial field, 4 to 3 with Weller the winning hurler and Tindall the loser.

HERE AND THERE IN SPORTS' LAND

LOCAL anglers are having a fine time fishing in Lake Erie, for bass and pike, the season for bass having come in some time ago. A group of Pennsylvania Engineering company workers who fished there consisted of William Jenkins, Jr., Paul Campbell, James Speed, Raymond Baldwin, Oliver Smith, Lester Brumbaugh, Charles Kelly, James Lavender, Charles DeFonso, Walter Shuler, Charles Pazzone, John Ross, Jr., James DiMuccio, Michael Palsin, Patsy Sheldone, Mr. Sloops, George Palistin, George Hicks, Mickey McClymonds, Charles Book, Phillip Evans, Henry Plonko and Stanley Kozela. Clyde Burkholder, Frank Bower, James Bower, William Taylor and Jack Patton made up another party of Erie lake fishermen.

Lions club of Volant apparently appreciate the Shenango Valley Beagle club, having arranged to entertain them Monday, July 5. There'll be two baseball games, one in the afternoon, the other in the evening, refreshments and fireworks at 10:30 p. m. President Len Gilbert of the City Baseball league has received word that the City circuit has been accepted by the National Amateur Baseball Federation, according to a letter from Frank D'Onofrio, secretary, President Gilbert and Secretary Walter Hannon will attend the federation meeting in Cleveland, July 14. As far as known at the present time, the winner of the City league, will play at Youngstown against various Ohio teams.

Nineteenth in a series spotlighting former Olympic champions and their deeds. . . . Shooting for the first Olympic trip since Nurmi won three events at Paris in 1924. Jesse Owens, the Buckeye Bullet, came zinging away first in the 200-meter run in the 1936 Olympics in Berlin. The Cleveland Negro accelerated around the turn and into the stretch in front but closely pursued by Mack Robinson of Pasadena, Calif., and Martinus Osendarp of Holland. But Owens, one of the great stars of track and field history, was too good for them and he stayed on top, breaking the tape two strides in front of Robinson to win his third Olympic crown in three days and shatter both the Olympic 200-meter record and the world record for 200 meters around a curve. Osendarp, who finished third to Owens in the 100-meter run, was third with Paul Haenert of Switzerland fourth, Lee Orr of Canada fifth and W. Van Beveran of Holland sixth. Owens' victory was the seventh for the U. S. and his time cracked Eddie Tolan's record set four years earlier. Tolan won his race in the 1932 event by two yards over George Simpson with Ralph Metcalfe third, according to Walter Johns, Central Press sports editor.

DUKES-TEMPYS PLAY TONIGHT

City Softball Championship For First Half At Stake At Cascade Street Field

City softball first-half championship hangs in the balance, as the Dukes and Tempys get ready to square off, at the Cascade Street Field, at 6 o'clock tonight, in a game that will see one of them crowned the champs.

Interest in this title game is at fever heat. A large crowd will surround the playing field. Both teams have large followings. Manager Jimmy Valentino of the Dukes will start his ace Roger Maggie on the hill he has indicated, and an American Legion Junior league tussle at George Washington field.

GASTON POST MEETS BESSEMER TONIGHT

Perry S. Gaston Post, with a record of 7 and 1, will play the Bessemer entry tonight in an American Legion Junior league tussle at George Washington field.

Tempys will use either Pep Smith or Greg Ross.

West Pittsburg, Franks Win Tilts

West Pittsburg stopped the Lawrence Indies last night, 5-4, and Franks' Grille edged the Civics 3-1 in City League competition.

J. Noris of the Pittsburgers singled home the tying and winning runs in the seventh to sink the Indies. Lazar was the mound victor, with Michaliko chalked with the setback. A Markey pounded the ball hard for the winners with four singles.

With two outs in the seventh and the Civics ahead, 1-0, singles by J. Rote, Grievie and Coulter, and a free ticket to Hughes brought home the tying run and then the Franks went on to win in the eighth.

Hughes emerged the winning pitcher with "Hard-Luck" Hille the loser.

Score by innings:
West Pittsburg 200 010 2—12
Indies 020 000 2—4 6 0
Franks 000 000 12—3 5 0
Civics 000 100 00—1 8 4

Bisques Champions Of Pottery Golfers As First-Half Ends

Laboratory Finishes Second, Jiggers, Printers Follow At Castle Hills

The Bisque team won the first half championship of the Shenango Pottery (fine golf league) at the Castle Hills course Wednesday evening, finishing the half with 50½ points to 49 for the runnerup Laboratory team. There is considerable interest being shown in the league this summer.

The Jigger Shop was third with 39 points and the Printers last with 38½ points. All teams are revamping their lineups for the second half in an effort to upset the "red-hot" Bisques.

Medalists on Wednesday were Chuck Perry and Ange Cimnal with 38 cards.

Gustine Leading 'Hot Corner' Poll

CHICAGO, June 25.—(INS)—Two new leaders turned up today in the all-star balloting for positions on the 15th annual inter-league team.

Frank Gustine of the Pittsburgh Pirates pushed into first place in voting for National League third basemen with Andy Pafko of the Chicago Cubs taking second place. Bob Elliott, former third base lead-

er from Boston, slipped down to third place.

A switch in catchers in the American League placed Birdie Tebbetts of the Boston Red Sox ahead of Buddy Hoser of the Philadelphia Athletics. Tebbetts has 149,063 votes to Hoser's 143,505.

Ted Williams is still in front among the individual vote-getters with 178,114 tallies. Joe DiMaggio, New York Yankee centerfielder, is second with 176,944 and Lou Roudreau, Cleveland shortstop-manager, is third with 174,512 votes.

Pirates Sign Coast Phenom

PITTSBURGH, June 25.—(INS)—The Pittsburgh Pirates today announced the signing of Fred Strobel, one of the outstanding high school pitchers on the Pacific Coast.

Strobel, a graduate of Long Beach, Cal., high school, allowed only one run in the five games he pitched for the school last season. A right-hander, he has been sent to the Pirate farm club at Waco, Tex.

Three U. S. Stars Carry Hopes Today In British Tennis

Parker, Mulloy And Brown Big Guns Of American Team In Wimbledon Singles

WIMBLEDON, Eng., June 25.—(INS)—Three stalwart racket wielders carry American hopes today into the fourth round of the Wimbledon men's singles tennis championship.

Frankie Parker of Los Angeles meets Lennart Bergelin of Sweden in the famed center court feature match.

Gardner Mulloy of Miami is pitted against Australia's Jack Harper on court one, while Tom Brown, San Francisco ace, meets Dittie K. Bose of India in another encounter.

These are the only men's singles matches scheduled today.

In the women's singles, Miss Shirley Fry of Akron, O., plays Mrs. B. E. Hilton of Britain in the third round on the center court.

Another third round match pits Mrs. Margaret Osborne DuPont of Wilmington, Del., against Holland's Mrs. G. Blaisdellwindt. Miss Barbara Seefield of San Francisco tangles with Joan Curry of Britain in another leading match.

Mulloy, yesterday, was forced to five sets by Sumant Misra, India, before winning 2-6, 6-4, 8-1, 3-6, 6-4.

Bob Falkenburg of Hollywood, Calif., beat Drago Mito, Yugoslavia, 5-7, 6-3, 4-6, 6-3, 6-4.

Parker was at his best in vanquishing Cyril Kemp, Eire, 6-0, 6-1, 6-0.

Brown took care of Borger Fornstedt, Sweden, 6-4, 3-6, 6-3, 6-2.

American Champion, Louise Brough of Beverly Hills entered the fourth round yesterday by defeating Mrs. Mary Arnold Prentiss of Los Angeles, 6-1, 4-6, 6-1. Miss Hart beat fellow American Mrs. Helen Pedersen Rihmany of Boston, 6-0, 6-1.

Mrs. Owen Anderson of Los Angeles, a former British star, lost to Mrs. Antoinette Weimers of France 8-10, 14-12, 6-4.

Chiefs And Colts**Play Here Saturday**

The New Castle Chiefs are planning a little revenge on the Youngstown Colts when the two teams battle at P. J. Flaherty Memorial field Saturday night at 8 o'clock. The Chiefs have downed the Colts but once in six meetings. Ed Wallace is slated to pitch for New Castle.

Manager Carl Miller of Allentown, Pa., will be making his debut at Flaherty field as the leader of the Chiefs; he will get a warm welcome from the fans. Miller made an auspicious start at Erie last night by crashing a long homer to drive in the only two runs the Chiefs could muster. It was his tenth homer of the season, nine with Charlotte in the Tri-State league.

Several new faces will be with the Chiefs here Saturday night. It has been promised by General Manager Mike Cannavino, among them will be Ty Corbett, the all-around ball player from Ambridge.

HAEFNER-KEISER LEAD

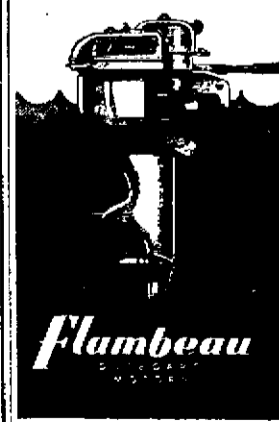

TOLEDO, O., June 25.—(INS)—Clayton Haefner and Herman Keiser today led the field into the second round of the \$10,500 Inverness Invitational best ball golf tournament at Toledo.

The Haefner-Keiser combination took the lead yesterday by defeating Lloyd Mangrum and Dick Metz, five-up.

Ben Hogan and Jimmy Demaret, defending champions and pre-tournament favorites, were in second place with a plus three over Cary Middlecott and Jim Ferrier.

Bobbie Locke and Ed Fudgal, and Dutch Harrison and Bob Harrison were tied for third place with plus two's.

Charles (Bud) Wilkinson, former big 10 football star and now varsity grid coach at the University of Oklahoma, will teach a football coaching course at the Springfield College summer session.

Center Church Has D.V.B.S. Program

Pupils of the Daily Vacation Bible school of Center U. P. church presented a program of their activities June 20, at the church. Total enrollment of the school was 76 students with an average attendance of 62. Those who had perfect attendance numbered 57.

Mrs. Margaret Frew served as director of the project with Mrs. Emily Kallajainen and Rev. W. F. Holmes acting as assistants. The teachers follow: beginners, Nancy and Leslie Kallajainen; primary, Mrs. Eva Hogue, Barbara Kaufman, Mrs. M. Myers and Hazel Gibson and junior, Mrs. Charles Solsberg, John Zook and Gloria Solsberg.

Mrs. Nettie Hartzel and Mrs. Gertrude Hogue taught in the intermediate department. Nancy Zidunak and Margaret Frances Clerks also served as teachers in the school.

HARVARD CREW FAVORED

NEW LONDON, Conn., June 25.—(INS)—Harvard's crack crew is a strong favorite to defeat Yale today in their clash on the Thames river.

The historic rivalry—this is the eighty-third meeting between the two arch enemies—is the only crew test at four miles offered in North America this year.

Further light on the Olympic outlook will be shed in the regular

tryouts beginning next Wednesday on Lake Carnegie at Princeton, N. J., but today's event will wind up the exclusively collegiate eight-oared season.

LOCAL SCHOOL HEADS ATTEND CONFERENCE

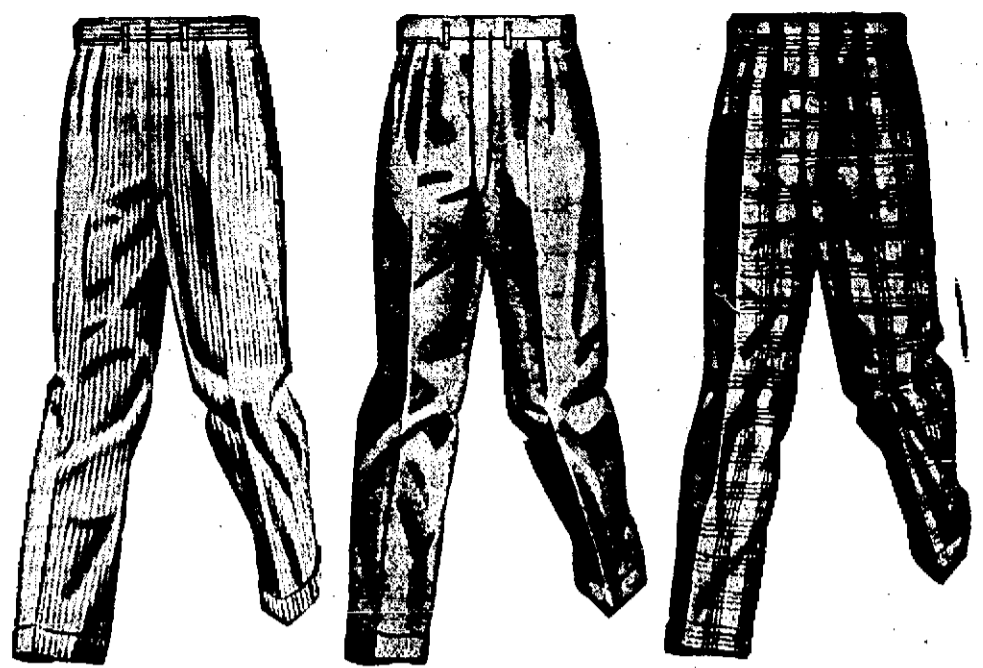

Miss Nannie Mitchell, principal of George Washington Junior high school, Gerald Nord, principal of Ben Franklin Junior high school, and J. H. Earl McKenzie, representative of New Castle Senior high school, have returned from a two-day conference at Slippery Rock State Teachers college.

At this conference, the problems of secondary schools were discussed by various education leaders.

BEER FOR BEER

FRANKFURT.—The Bi-partite Control Group recently approved a measure for the Bizonal area of Germany which allows Germany to swap the family bread coupons for beer. Whether or not the lady of the house is going to allow the men of the house to swap bread coupons for beer is not known. Brewers associations stoutly maintain there are as many calories in good beer as may be found in bread.

MEMPHIS, Tenn.—Norman Moore, police investigator, asked a key question of a suspected thief and got a confession. "Why didn't you steal a ham or bacon or something to eat?" Moore asked. "Why steal soap?" "But that was a drug store," the suspect said.

Fretting won't bring back that soft, appealing bloom to skin past its twenties. But science may help! Plus 30 Cream contains only the genuine hormones found in nature . . . not a synthetic imitation. When absorbed by the skin, this hormone ingredient tends to replenish nature's lagging supply of the glandular substance which contributes to the smoothness, the fresh pliancy and radiance of young skin. Women over thirty usually may expect results after using one jar of Plus 30 Cream.

Desirable After
Thirty ...
Urgent After
Forty ...

Fretting won't bring back that soft, appealing bloom to skin past its twenties. But science may help! Plus 30 Cream contains only the genuine hormones found in nature ... not a synthetic imitation. When absorbed by the skin, this hormone ingredient tends to replenish nature's lagging supply of the glandular substance which contributes to the smoothness, the fresh pliancy and radiance of young skin. Women over thirty usually may expect results after using one jar of Plus 30 Cream.
